FELLOWSHIP OF POSTGRADUATE MEDICINE

Surgery (F.R.C.S.). Three courses: (1) Thursdays. January 8 to February 26, 2 to 4 p.m., fee £4 45. od.; (2) Fridays, January 9 to February 27, 2 to 4 p.m., fee £4 45. od.; (3) Saturdays, January 10 to February 28, 10 a.m. to 4.30 p.m., fee £8 8s. od. New End Hospital.

Surgery (F.R.C.S.) Evening Combined Systematic Course. January 8 to June 4. Thursdays, 8 to 9.30 p.m. New End Hospital. Fee £15 15s. od.

General Medicine (Revision M.R.C.P.). February 2 to March 14. Daily 5 to 8.30 p.m. (Saturdays 2 to 4 p.m.). Whittington Hospital, Archway Wing. Limited. Fee £23. (No entries accepted until syllabus is published and circulated.)

Infectious Diseases (M.R.C.P.) Week-end. February 14 and 15. All day Saturday and Sunday. Park Hospital, Hither Green. Limited. Fee £3 3s. od. (No entries accepted until syllabus is published and circulated.)

Children's Diseases (D.C.H.). February 16 to 28. Daily 5.30 to 7 p.m. Princess Louise Kensington Hospital. Limited. Fee £5 5s. od.

Obstetrics (D.Obst.R.C.O.G.) Weekend. February 21 and 22. All day Saturday and Sunday. Queen Mary's Hospital for the East End. Limited. Fee £3 3s. od.

Surgery (F.R.C.S.) General and Genito-Urinary. February 16 to March 4. Mondays and Wednesdays. 5 to 6.30 p.m. Whittington Hospital (Archway Wing). Limited. Fee £4 14s. 6d. (No entries accepted until syllabus is published and circulated.)

Surgery (Revision, F.R.C.S.). March 9 to April 25. Monday, Thursday and Friday mornings. Royal Cancer Hospital. Limited. Fee £18 18s. od. (No entries accepted until syllabus is published and circulated.)

Surgery (F.R.C.S.). March 11 to April 1. Wednesdays, 5.30 p.m. Whittington Hospital (St. Mary's Wing). Clinical demonstrations. Fee £3 3s. od.

General Medicine (M.R.C.P.). Evening, March 16 to 20. Connaught Hospital, Walthamstow, 7 to 9.0 p.m. Limited. Fee £3 13s. 6d. (No entries accepted until syllabus is published and circulated.)

Rheumatic Diseases Weekend. March 21 and 22. All day Saturday and Sunday. Rheumatic Unit, St. Stephen's Hospital. Fee £2 12s. 6d.

Orthopaedic (F.R.C.S.) Week-ends. March 21-22. March 29-30 and April 11-12. Saturdays and Sundays. Rowley Bristow Orthopaedic Hospital, Pyrford. Limited. Fee £9 9s. od. (No entries accepted until syllabus is published and circulated.)

Anaesthetics (D.A. Part I). April 13 to 24. Two lectures every afternoon. Anatomy, physiology, pathology and pharmacology. Royal Cancer Hospital. Fee £6 6s. od.

Plastic Surgery Week-end. April 18 and 19. All day Saturday and Sunday. Plastic and Jaw Unit, Rooksdown House, Basingstoke. Fee £3 3s.

Please note that instruction arranged by the Fellowship of Postgraduate Medicine is open only to Members (annual subscription, from month of joining, 10s. 6d.). In the case of 'limited' courses no entries are accepted in advance of the detailed syllabuses being published and circulated; postgraduates (whether Members or not) are not automatically included in the mailing lists, but must notify the Fellowship of Postgraduate Medicine, 60 Portland Place, London, W.1, if they wish to be sent syllabuses as published, and must specify the subjects in which they are interested. Information regarding courses can be obtained from the Office daily between 10 a.m. and 5 p.m. (Saturdays 10 a.m. to 12 noon). Telephone: Langham 4266.

ROYAL COLLEGE OF SURGEONS OF ENGLAND

The following lectures will be delivered at the College. Admission free.

Arris and Gale Lectures

February

3 5 p.m. Dr. A. A. G. Lewis. The control of the excretion of water by the human kidney.

4 5 p.m. Mr. C. J. Longland. Collateral arterial circulation in the limb.
February
26 5 p.m. Mr. L. P. Le Quene. The management of water and electrolyte administration during the post-operative period.

Otolaryngology Lecture
February
5 5.30 p.m. Prof. Geoffrey Hadfield. Co-carcinogenesis.

Hunterian Oration
February
13 4 p.m. Mr. L. E. C. Norbury, O.B.E. The Hunterian Era—its influence on the art and science of surgery.

Hunterian Lectures
February
10 5 p.m. Prof. T. E. Cawthorne. The surgery of the temporal bone.
12 5 p.m. Prof. W. Hynes. The results of pharyngoplasty by muscle transplanation in 'failed cleft-palate' cases, with special reference to the influence of the pharynx on voice production.
19 5 p.m. Prof. J. E. Richardson. The early renal symptoms of parathyroid tumour.
24 5 p.m. Prof. J. Moroney. Colonic replacement and restoration of the human stomach.

Basic Medical Sciences. Full particulars of instruction will be found under 'Institute of Basic Medical Sciences.'

Faculty of Anaesthetists. A course of lectures and tutorials in anaesthetics will be held from March 16 to 27. Fee for the whole course, £26 5s. od.; lectures only £15 15s. od. A series of lectures on pharmacology will be given from April 13 to 17 at 5 p.m. and 6.15 p.m. Fee £2 2s. od.

Surgical Lectures and Clinical Conferences will be given from April 13 to April 30. Fee £15 15s. od.

Faculty of Dental Surgery. A course of practical demonstrations in anatomy, applied physiology and pathology in their application to dental surgery and in dental anatomy and histology will be held from January 19 to March 13. Fee for the (full-time) course £26 5s. od.

Applications should be addressed to the Deputy Secretary, Royal College of Surgeons, Lincolns Inn Fields, London, W.C.2 (Holborn 3474).

SOCIETY OF APOTHECARIES OF LONDON
Diploma in Industrial Health (D.I.H.). The examinations are held in July and December each year.
Diploma of Mastery of Midwifery (M.M.S.A.). The examinations are held in May and November each year.
For further information application should be addressed to the Registrar, Society of Apothecaries, Black Friars Lane, London, E.C.4.

DENTAL BOARD OF THE UNITED KINGDOM
The Dental Postgraduate Bureau has issued three booklets, as follows:
'Facilities for Dental Postgraduate Study in the United Kingdom and Ireland,' containing a list of schools and institutions at which postgraduate courses are held or which provide facilities for individual students, and an alphabetical list of subjects showing where instruction in each can be obtained; 'Scholarships and Studentships for Advanced Studies and Research in Dentistry,' including many open to British subjects tenable abroad; 'Higher Dental Qualifications,' setting out in general terms the conditions to be satisfied by candidates. Copies of these booklets and further information can be obtained on application to the Director, Dental Postgraduate Bureau, 44 Hallam Street, London, W.1.

UNIVERSITY OF LONDON
Human Anatomy and Morphology Lecture by Professor A. Giroud at 5 p.m. on February 11 at the London Hospital Medical College, Turner Street, E.1. on 'Factors of Abnormal Development.' Admission free.

BRITISH POSTGRADUATE MEDICAL FEDERATION (University of London)
The Federation provides:
(i) Training for prospective specialists, supplementing the work of the undergraduate medical schools.
(ii) Advanced revision for practising specialists.
(iii) Instruction for medical practitioners who, though not specialists, desire more detailed knowledge of any branch of medicine.
(iv) Instruction for general practitioners.

Comprising the Federation at present are the Postgraduate Medical School of London, Institute of Psychiatry, Institute of Laryngology and Otology, Institute of Child Health, Institute of Obstetrics and Gynaecology, Institute of Neurology, Institute of Orthopaedics, Institute of Dental Surgery, Institute of Cancer Research; Associated institutes are the Institute of Diseases of the Chest, Institute of Cardiology, Institute of Dermatology, Institute of Urology, and Institute of Basic Medical Sciences.

Courses for general practitioners will be held as follows:
General
March 16 to 21. Prince of Wales's Hospital, N.15.
Special
March 23 to 27. London teaching and regional hospitals.
Obstetrics and Gynaecology
February 23 to 28. Institute of Obstetrics and Gynaecology

Rehabilitation in General Practice
March 2 to 6. Roffey Park Institute, Horsham (residential).
Applications for places on the above courses should be made to the Secretary, British Postgraduate Medical Federation, and should state if the application is or is not made under the scheme for N.H.S. practitioners.

Extended and Week-end Courses
General
Beginning March (extended). 11 afternoons. St. Helier Hospital, Carshalton.
Beginning March (extended). 11 afternoons. St. Olave's Hospital, Rotherhithe.
Beginning April (extended). Kingston Hospital.
Obstetrics and Gynaecology
Beginning February (extended). 11 afternoons. Bromley Hospital.
Applications for places on the above courses, and enquiries about unspecified dates, should be made to the Hospital.
All the courses are available to N.H.S. practitioners, for whom fees and allowances (travelling expenses,
locum fees, etc.) are provided for courses equivalent to 22 half-day sessions in an academic year, subject to certain conditions. Other practitioners may attend on payment of a fee of 10 guineas for two weeks, 5 guineas for one week, or extended course of 11 sessions, 1½ guineas for a week-end course.

The following lectures on 'The Scientific Basis of Medicine,' which are designed especially for research workers and specialists in training, will be delivered at the London School of Hygiene and Tropical Medicine, Keppel Street, W.C.1, on Tuesday and Thursday afternoons at 5.30 p.m. Admission free without ticket.

**February**
- **3** Prof. E. J. King. Silicosis and asbestosis.
- **5** Prof. Matthew Stetcott, C.B.E. Pulmonary asbestosis.
- **10** Dr. Honor B. Fell. Organ culture in biological and medical research.
- **12** Prof. P. C. C. Garnham. The life cycle of the malaria parasite.
- **17** Dr. J. C. White. Human haemoglobins and derived pigments.
- **19** Sir Alan Drury, C.B.E. Uses and applications of human blood plasma fractions.
- **24** Dr. P. L. Mollison. The life-span of red cells.
- **26** Dr. A. H. T. Robb-Smith. The functional significance of connective tissue.

**March**
- **3** Prof. E. P. Sharpey-Schafer. Causes of hypotension in man.
- **5** Prof. G. R. Pickering. The natural history of essential hypertension.

Applications for further information should be made to the Secretary, British Postgraduate Medical Federation, 3 Gordon Square, London, W.C.1.

**INSTITUTE OF BASIC MEDICAL SCIENCES**
(Royal College of Surgeons of England)

The Institute co-operates with other specialist Institutes of the Federation in providing facilities for practical work and instruction in the basic medical sciences. Twice a year there is a full demonstration and lecture course which is full-time and extends over a period of three months. Applications for this course are strictly limited, and the next course will begin on April 7, 1953. In addition, there are two revision courses a year of lectures only, which take place at the same time as the other course. Applications for this course can be accepted up to a month before the course begins. Fees: demonstrations and lectures, £63; lectures only, £36 15s. od. A two-months' course for Primary F.D.S. candidates is also held twice a year in January and July. The next course of demonstrations in anatomy, applied physiology, and pathology, in their application to dental surgery, and in dental anatomy and histology, will be held from January 19 to March 13, 1953. The course is full-time and the fee £26 5s. od.

For further information please apply to the Secretary, Institute of Basic Medical Sciences, Royal College of Surgeons of England, Lincoln's Inn Fields, London, W.C.2.

**INSTITUTE OF CANCER RESEARCH**
(Royal Cancer Hospital and Chester Beatty Research Institute)

Postgraduate lectures and courses of instruction are held in biophysics for students studying for the M.Sc. degree in Biophysics, and for students studying for a Diploma in Medical Radiotherapy.

Enquiries should be made to the Dean, Institute of Cancer Research, Royal Cancer Hospital, Fulham Road, London, S.W.3.

**INSTITUTE OF CARDIOLOGY**
(National Heart Hospital) (British Postgraduate Medical Federation)

Full-time courses of instruction lasting three months are available. Fee £26 5s. od.

A limited number can be accepted part-time, which includes out-patient sessions and lectures.

Special short courses lasting two weeks are given at intervals. Fee £12 12s. od.

Further details and applications for admission to these courses should be made to the Dean, Institute of Cardiology, 35 Wimpole Street, London, W.1.

**INSTITUTE OF DISEASES OF THE CHEST**
(Brompton Hospital and The London Chest Hospital) (British Postgraduate Medical Federation)

The Institute of Diseases of the Chest (Medical School of the Hospitals for Diseases of the Chest) is situated in the grounds of the Brompton Hospital, S.W.3.

**Medical**

Instruction in diseases of the chest including tuberculosis is conducted during three terms of ten weeks each year. It consists of clinical work in wards and out-patient departments, lectures and demonstrations. A whole-time programme is arranged for not more than 12 graduates each term, preferably those specializing in diseases of the chest. The lectures and demonstrations are so arranged that the subject of chest disease in covered during the two terms beginning in October and January. The lectures during the summer term are arranged as a general revision course. The fee for the whole-time attendance is 15 guineas per term. A larger number of graduates can be accepted for part-time study at a fee of 12 guineas per term; if vacancies are available it may be possible to accept graduates for shorter periods of part-time study at a fee of 5 guineas per month.

A refresher course, intended for physicians specializing in tuberculosis and diseases of the chest, will be held at the London Chest Hospital from March 23 to 27, 1953.

**Surgical**

A whole-time course in chest surgery is conducted during the terms beginning in October and January. It includes attendance at out-patient clinics, operating sessions, ward clinics, case demonstrations and lectures, and is held partly at the Brompton Hospital and partly at the London Chest Hospital. The fee is 15 guineas per term.

**Radiology**

Part-time instruction in radiology of the chest for trainee radiologists only is given each term. The fee is 10 guineas per term.

For further general information application should be addressed to the Dean, Institute of Diseases of the Chest, Brompton Hospital, Fulham Road, S.W.3.

**INSTITUTE OF CHILD HEALTH**
(Hospital for Sick Children) (British Postgraduate Medical Federation)

The Institute of Child Health is associated with The Hospital for Sick Children, Great Ormond Street, the
Postgraduate Medical School of London at Ham-mersmith Hospital, and the Queen Elizabeth Hospital for Children. In its programme teaching on every aspect of child health is provided. Visits are arranged to the department for the new-born and premature infant at the Postgraduate Medical School of London, Hammersmith Hospital, Maternity and Child Welfare Clinics, Nursery Schools, etc. The Institute provides tuition throughout the year in three terms of 12 weeks' duration each, beginning in January, May and September. In addition a series of lectures by specialists and experts in various spheres is given each term. The fees are 20 guineas for one term and 35 guineas for two terms. The following lectures will be given at the Hospital for Sick Children on Thursdays at 5 p.m. Fee for a single lecture, 5s.

February
5 Mr. T. T. Stamm. Postural disorders of school age.
12 Dr. E. M. Creak. Behaviour problems in early childhood.
19 Dr. D. V. Hubble. The thin child.
26 Dr. G. Stewart Prince. Emotional problems of puberty.

March
5 Dr. J. A. Fraser Roberts. The genetic background of the dull child.
12 Dr. R. E. Hope Simpson. Epidemiological research in children under 15 years of age.

Applications should be addressed to the Dean, Institute of Child Health, Hospital for Sick Children, Great Ormond Street, London, W.C.1.

INSTITUTE OF DENTAL SURGERY
(Eastman Dental Hospital)
The Institute holds courses in orthodontics (full- and part-time, up to one year), and in periodontia, conservative dentistry, prosthetics, minor oral surgery and children's dentistry (variable length, full- and part-time). Full-time refresher courses of two weeks' duration are arranged twice yearly for general practitioners. Courses are also held in conjunction with the Faculty of Dental Surgery of the Royal College of Surgeons and are particularly intended for candidates preparing for the final examination for the Fellowship in Dental Surgery of the College. These begin in June and January (lasting for approximately six months), fee £50, and in April and October there are revision courses lasting eight weeks, fee £31 10s. od. Special arrangements can be made for students requiring courses of study and research experience not falling within the scope of the courses listed above.

For further information apply to the Dean, Institute of Dental Surgery, Eastman Dental Hospital, Gray's Inn Road, London, W.C.1.

INSTITUTE OF DERMATOLOGY
(Medical School of St. John's Hospital for Diseases of the Skin) (British Postgraduate Medical Federation)
Clinical Teaching. Instruction is given twice daily in the out-patients' department for which the fee varies from two guineas for one week to 25 guineas for a year. Discussion of special cases takes place at 10 a.m. on Saturdays, except during fourth week of each month.

Laboratory. The facilities for students include technical work in histology, bacteriology and medical mycology.

Lectures. A winter course, extending over six months, began in October, and a summer course is held in May and June. Both these courses consist of lectures at 5.30 p.m. on Tuesdays, Wednesdays and Thursdays on general dermatology, branches of pathology and X-ray, and clinical demonstrations on Fridays which are designed for those taking the M.R.C.P.

February
3 Dr. W. R. Bett. The preparation and writing of papers for the medical journals.
† 4 Dr. J. O. Oliver. The blood and bone-marrow in dermatology.
* 6 Dr. S. C. Gold. Contact allergy.
10 Mr. A. K. Monro. Hypostatic eczema and ulceration.
†11 Dr. H. Haber. Benign tumours of the corium.
†12 Dr. R. W. Riddell. Mycology—diagnostic techniques.
*13 Dr. H. Gordon. Benign new growths.
17 Dr. W. J. O'Donovan. Hystera cutis.
18 Dr. J. A. Dudgeon. Virus diseases.
*20 Dr. R. T. Brain. Common skin diseases in children.
24 Dr. L. Forman. Skin diseases related to cancer.
†25 Dr. J. A. Dudgeon. Virus diseases.
26 Dr. A. H. T. Robb-Smith. The functional significance of connective tissue. (At the London School of Hygiene and Tropical Medicine.)
*27 Dr. D. J. Williams. Alopecia.

*Clinical demonstrations.
†Laboratory demonstrations—available only immediately before and after lectures.

Enquiries should be made to the Dean, Institute of Dermatology, St. John's Hospital for Diseases of the Skin, Lisle Street, Leicester Square, London, W.C.2.

INSTITUTE OF LARYNGOLOGY AND OTOLOGY (Royal National Throat, Nose and Ear Hospital)
(British Postgraduate Medical Federation)
A comprehensive course lasting 32 weeks and designed to cover the whole field of the speciality is held twice a year beginning in February and September. This consists of lectures, demonstrations and attendance on the practice of the hospital, with facilities for dissection. A special point is made of the anatomy, physiology and pathology related to the subject. There is also an intensive lecture course of four weeks twice yearly in preparation for practical clinical training. Advanced students may obtain additional experience by appointment as Out-patient Assistants. An Advanced Revision Class (10 weeks) for M.S. and F.R.C.S. students is also given twice yearly. The composite fee, including enrolment as a clinical assistant, attendance on the hospital practice and at one of the comprehensive courses, but excluding dissection, is £52 10s.

For further information application should be addressed to the Dean, Institute of Laryngology and Otology, 330 Gray's Inn Road, W.C.1.
INSTITUTE OF NEUROLOGY (The National Hospital, Queen Square, and the Maida Vale Hospital for Nervous Diseases) (British Postgraduate Medical Federation)

The teaching is mainly by attendance on the hospital practice. Some advanced students are appointed as full-time clinical clerks at the National Hospital, Queen Square, or to the electro-encephalographic or one of the other special departments, or to the research laboratories. A limited number of part-time clinical clerkships are available at the Maida Vale Hospital with opportunity for examining patients.

In addition two full-time courses of ten weeks' duration are given each year, namely, in the Autumn and Spring terms. The first portion of the course deals with the anatomy and physiology of the nervous system, neuropathology and psychology, and consists mainly of lectures and demonstrations. The second portion deals with clinical neurology, medical and surgical, neuro-ophthalmology, neuro-otology and radiology, and includes lectures and demonstrations. A course in neuro-surgery is given during the Summer term. Special lectures by neurologists from outside London and from abroad are held throughout the three courses.

Fees, for the ten weeks' full-time course 20 guineas; for attending hospital practice, 15 guineas for three months or 28 guineas for six months.

Part-time teaching is given in the Out-patient Department, at the National Hospital, Queen Square, on five days a week throughout the year (public holidays excepted), and at Maida Vale Hospital. Courses of Clinical Demonstrations are given on Wednesdays and Saturdays at the National Hospital, Queen Square. Advertisements concerning these appear from time to time in the medical journals.

For further particulars please apply to the Dean, Institute of Neurology, National Hospital, Queen Square, London, W.C.1.

INSTITUTE OF OBSTETRICS AND GYNAECOLOGY (British Postgraduate Medical Federation)

 Incorporates the teaching facilities of Queen Charlotte's Maternity Hospital, the Chelsea Hospital for Women, and the Department of Obstetrics and Gynaecology of the Postgraduate Medical School. Graduates must hold a registrable medical qualification.

On enrolment, graduates are posted to one of the constituent hospitals and also attend combined classes at the other two hospitals. The enrolment fee is £3, and the charge for one term of 12 weeks is £30.

An intensive course suitable for those preparing for higher examinations will be held in December and June.

General practitioners requiring further experience in obstetrics are accepted during the term at Queen Charlotte's Hospital, to attend the practice of the hospital for two or four weeks, with opportunity to conduct normal deliveries and to attend combined classes at the other hospitals. Fee £6 a week during term. Ministry of Health grants are payable to approved general practitioners attending for such a period. General Practitioner Refresher Courses, lasting one week, are held twice a year for which the fee is £5 5s. This course is recognized by the Ministry of Health, in the case of approved practitioners, for the purpose of a grant.

Postgraduates may attend the practice of the hospital at the Postgraduate Medical School and Queen Char- lotte's Hospital during the vacation, when a charge of £1 a week is made.

Hostel accommodation is available at the Postgraduate Medical School and at Queen Charlotte's Hospital.

Applications for further information and for enrolment forms should be made to the Secretary, Institute of Obstetrics and Gynaecology, Chelsea Hospital for Women, Dovehouse Street, S.W.3.

INSTITUTE OF OPHTHALMOLOGY (Royal London Ophthalmic, Royal Westminster Ophthalmic, Central London Ophthalmic Hospitals) (British Postgraduate Medical Federation)

Courses of lectures and classes beginning March 1 and October 1 each year to meet the requirements of candidates entering for the examination for the Diploma in Ophthalmology and the F.R.C.O.E. Examination will be given to members of the staff of the Hospital and Institute. Each course is designed to extend over two terms of approximately 18 weeks each and is normally divided into two parts.

Part I. Anatomy (including embryology and normal histology), elementary physiology of the eye, optics (elementary and physiological), practical tutorials in refraction work and clinical subjects.

Part II. All clinical branches of the subject together with bacteriology and pathology. Students can attend the daily clinical practice of the two branches of the Moorfields, Westminster and Central Eye Hospital, and hold the appointments of Junior Clinical Assistants and Clinical Assistants concurrently with the above courses. A composition fee of £26 5s. od. will admit students once to the lectures and tutorial classes of any one term, with six months' clinical practice in the hospital.

Extra Courses. Slit lamp microscopy (fee £5 5s. od.); orthoptic training (one week's intensive course, fee £5 5s. od.); contact lenses (one week's intensive course, fee £10 10s. od.). Additional courses by arrangement.

Hospital Practice only. Fees as follows: one month, £2 2s.; three months, £5 5s. od.; six months, £10 10s. od.

Facilities for research.

For further information apply to the Dean, Institute of Ophthalmology, Judd Street, London, W.C.1.

INSTITUTE OF ORTHOPAEDICS (British Postgraduate Medical Federation)

The Institute is concerned with postgraduate education in orthopaedics and with research. The practice of the Royal National Orthopaedic Hospital (both at the town section in Great Portland Street, and at the country section at Stanmore) is open to postgraduates, who may join at any time. In addition to hospital practice, formal courses of various lengths are held during academic terms. The next courses will be held from February 16 to 21, entitled 'Inflammatory Disorders of Bones and Joints'; and from April 15 to 18, entitled 'Advanced Clinical Orthopaedics.' Fee for each course (including lunch and tea), £7 7s. od. Early application to the Dean is advisable. Facilities for advanced clinical work are available for selected candidates having a suitable scientific or surgical training.

Further particulars may be obtained from the Dean, Institute of Orthopaedics, Royal National Orthopaedic Hospital, 234 Great Portland Street, London, W.1.
INSTITUTE OF PSYCHIATRY (British Postgraduate Medical Federation)
The Institute, which was formerly the Maudsley Hospital Medical School, is now associated with the Joint Bethlem Royal Hospital and Maudsley Hospital. It is concerned with postgraduate education in psychiatry and allied subjects, and with research. A course of instruction covering up to three years, and starting in October yearly, is provided for medical practitioners who wish to specialize in psychiatry or to prepare for the Diploma in Psychological Medicine.
Clinical instruction, which includes case conferences, seminars, and practical experience in case taking, is given at associated hospitals in the mornings, and systematic lectures and demonstrations are arranged for the afternoons. Students may also enrol for shorter periods, or for single series of lectures.
The subjects covered include anatomy and biochemistry of the nervous system, neurophysiology, pathology of nervous and mental diseases, psychiatry of children and adults, delinquency, principles of psychotherapy, forensic psychiatry and criminology, psychology, mental testing and statistics. There is a special six-months' course in child psychiatry, comprising clinical instruction and lectures, which starts on October 1. Lectures on subjects of special interest are arranged from time to time. The tuition fee for a full-year's course is £3 10s. od., including enrolment fee. For shorter periods the fee varies with the type of course chosen. Selected students are eligible for appointments on the staff of the Joint Hospital.
Facilities for research and supervision of study for higher degrees can be provided in clinical work and in the biochemical, physiological, neuropsychological and psychological laboratories.
A course for Honours Graduates in Psychology is available in clinical psychology for the Academic Postgraduate Diploma in Psychology. In conjunction with the Institute of Neurology, a course in the techniques of electroencephalography is provided for doctors who expect to take up electroencephalographic appointments in hospitals.
Further information may be obtained from the Dean, Institute of Psychiatry, Maudsley Hospital, Denmark Hill, London, S.E.5.

INSTITUTE OF UROLOGY (St. Peter's and St. Paul's & St. Philip's Hospitals) (British Postgraduate Medical Federation)
A postgraduate course for the higher examinations will be held from April 13 to 24, 1953. There will also be a short course on more advanced urology from June 8 to 19. Wednesday evening discussions will be held at 4.30 for 5 p.m. at St. Paul's Hospital as follows. Admission free.

February
11 Mr. A. R. C. Higham. Enuresis.
18 Mr. D. J. Williams. Spina bifida and incontinence.
25 Mr. J. Sandrey. Vesical neoplasms.

March
4 Dr. C. Dukes. Pathology of calculous disease.
11 Dr. A. H. Harkness. Non-gonococcal urethritis.
18 Mr. A. W. Badenoch. Haematuria.
25 Mr. H. G. Hanley. Disorders of micrurition in females.

Applications should be addressed to the Secretary, Institute of Urology, St. Paul's Hospital, Endell Street, W.C.2.

POSTGRADUATE MEDICAL SCHOOL OF LONDON (British Postgraduate Medical Federation)
The Postgraduate Medical School of London (formerly the British Postgraduate Medical School) is associated with the Hammersmith Hospital, Duncane Road, W.12. It has University Departments in Medicine, Surgery, Obstetrics and Gynaecology, and Pathology. The Department of Obstetrics and Gynaecology together with Queen Charlotte's and the Chelsea Hospitals, now forms the Institute of Obstetrics and Gynaecology. The teaching in the clinical departments, which is of an advanced nature and based on ward work, is continuous and is supplemented by lectures during three ten-week sessions starting in January, April and October. Suitable students are encouraged to undertake research work. A course for the University Diploma in Clinical Pathology, lasting one year, is available for a limited number of selected students. This commences in October. In anaesthetics, short practical courses last the fortnight, and longer periods of training for six months, are provided. The Department of Radiology of the Hospital provides courses for the Diplomas in Medical Radiology of the University and Conjoint Board. The fees vary from £3 for one week to £60 for a year.

For further information application should be made to the Dean, Postgraduate School of London, Duncane Road, W.12.

EAST HAM CHEST CLINIC
Out-patient teaching. Mondays and Thursdays at 2.30 p.m.
Apply Senior Registrar, East Ham Chest Clinic, Katherine Road, Forest Gate, London, E.7.

LONDON SCHOOL OF HYGIENE AND TROPICAL MEDICINE (University of London)
Courses of study are arranged for the C.H. and D.P.H. (London University); D.T.M. & H. (Eng.); and Academic Diploma in Bacteriology. Short courses are arranged in the Principles of Medical Statistics and Epidemiology, Statistical Methods and their Application in Medicine, and Applied Helminthology.

For further information and enrolment applications should be addressed to the Secretary, London School of Hygiene and Tropical Medicine, Keppel Street, Gower Street, London, W.C.1.

NORTH LONDON POSTGRADUATE MEDICAL INSTITUTE
Courses in advanced medicine, advanced surgery, and obstetrics and gynaecology. Instruction in pathology, anaesthesiology and radiodiagnosis. Clinical instruction at Bearsted Memorial Hospital, Chase Farm Hospital, North Middlesex Hospital, The Prince of Wales's General Hospital and St. Ann's General Hospital. During the course academic year there will be eight-week courses in advanced medicine suitable for those taking the M.R.C.P. examination, and eight-week courses in advanced surgery suitable for those taking the F.R.C.S. examination, also two-week courses for those taking the D.Obst.R.C.O.G. examination.

For further information apply to the Dean, The Prince of Wales's General Hospital, London, N.15.
PLAISTOW HOSPITAL CHEST UNIT
In-patient round, every Thursday at 4.30 p.m.
Apply Registrar, Plaistow Hospital, Samson Street, Plaistow, London, E.13.

ROYAL EYE HOSPITAL
(King's College Group)
A course of lectures and lecture-demonstrations will be held during the Spring Term.
Further particulars obtainable on application to the Secretary, Royal Eye Hospital, St. George's Circus, London, S.E.1.

ST. STEPHEN'S HOSPITAL
(Rheumatism Unit)
Two concentrated week-end courses in the Rheumatic Diseases are given each year, in March and in October, under the auspices of the Fellowship of Postgraduate Medicine.
A limited number of postgraduates can attend the Out-patient sessions of the Unit on Wednesday and Friday mornings at 10 a.m.
Applications for attendance at these sessions should be made to the Medical Registrar, Rheumatism Unit, St. Stephen's Hospital, Fulham Road, S.W.10.

WEST END HOSPITAL FOR NERVOUS DISEASES
Clinical demonstrations in neurology will be given on Tuesdays at 5.30 p.m. as follow. Admission free.
February
3 Dr. C. Worster-Drought. Neurological demonstration.
10 Mr. G. C. Knight. Treatment of head injury.
17 Dr. D. Gordon. Neuoradiological demonstration.
March
3 Dr. G. Parsons-Smith. Neurological demonstration.
10 Dr. T. Rowland Hill. Neurological demonstration.
17 Mr. Ian E. McCall. The investigation of cerebral tumour.
24 Dr. N. G. Hulbert. Neurological demonstration.
Applications for further information should be addressed to the Dean, West End Hospital for Nervous Diseases, 40 Marylebone Lane, W.1.

EMPIRE RHEUMATISM COUNCIL
Lecture courses in rheumatic diseases are arranged for general practitioners and other postgraduates periodically.
Particulars are obtainable from the General Secretary, Empire Rheumatism Council, Tavistock House (N), Tavistock Square, London, W.C.1.

ROYAL INSTITUTE OF PUBLIC HEALTH AND HYGIENE
The Royal Institute of Public Health and Hygiene conducts recognized courses of instruction (starting annually in March and October) for the examinations of the Joint Board of the Royal College of Physicians of London and the Royal College of Surgeons of England for the Certificate in Public Health. These lead to courses (beginning in January and August) for the D.P.H. and, similarly (in February and July), for the D.I.H. Students are also prepared for the D.I.H. examinations of the Society of Apothecaries of London. Any of the courses may be taken whole-time or part-time. They consist of both lectures and visits. Candidates desiring a course for either the D.P.H., or the D.I.H. of the Joint Board, are required by them to produce evidence of being in possession of a recognized C.P.H. For the C.P.H., lectures are given by specialists on the various sociological aspects, and in the D.P.H. the practical work is carried out at a county borough. The D.I.H. entails visits to all types of factories and to coal mines, etc. The next course for the C.P.H. will begin on March 20, 1953, that for the D.P.H. on January 23, 1953, and for the D.I.H. on February 13, 1953.
Prospectuses, enrolment forms and full particulars may be obtained from the Secretary, The Royal Institute of Public Health and Hygiene, 28 Portland Place, London, W.1. Telephone: Langham 2731/2.

TUBERCULOSIS EDUCATIONAL INSTITUTE
Refresher courses will be held in 1953 as follows:
London, April 14 to 17, in radiology; Paris, May 11 to 19, to be arranged in collaboration with the Comité National de Defense contre la Tuberculose; Cambridge, September 1 to 4, in chemotherapy. Three-day clinical courses will be held as follows: Cheshire Joint Sanatorium, Market Drayton, May 6, 7 and 8, and October 14, 15 and 16; King George V Hospital, Godalming, March 4, 5, and 6, June 17, 18 and 19, and September 30, October 1 and 2.
Further information may be obtained from the Secretary, Tuberculosis Educational Institute, Tavistock House North, Tavistock Square, London, W.C.1.

BRISTOL
Medical Postgraduate Department of the University of Bristol
Session 1952-1953. Provided that there are sufficient applicants the following postgraduate courses will be arranged beginning in October, 1952.
Course in Child Health. This will be whole-time and will last for three months. Fee £21. The course will be under the direction of the Head of the Dept. of Child Health in co-operation with the Depts. of Preventive Medicine, Medicine, Surgery, Pathology, etc., and will include lectures, demonstrations, ward rounds and visits to clinics and ancillary institutions. The University does not itself grant a Diploma in Child Health.
Diploma in Psychological Medicine (D.P.M., Bristol). (a) Part I. This will begin in October, 1952, and will cover a period of two terms. It will include lectures and demonstrations in special anatomy and physiology, pharmacology and applied psychology. Fee £21.
(b) Part II. This will be designed primarily for Part II of the D.P.M. (Bristol) and will be held in the autumn and spring terms and part of the summer term, 1952-53.
It will consist of lectures and demonstrations in the clinical aspects of adult and child psychiatry, mental deficiency and associated subjects. Fee £26 5s. The course will be open to a limited number of physicians practising in psychiatry, in addition to those preparing for the D.P.M. (Bristol).
Diploma in Public Health (Part I, C.P.H., Bristol). This is a part-time course extending over one academic year. The course begins in October and the examination for the C.P.H. is held in the following June. Fee, £27 10s. Candidates will be permitted to engage in part-time employment of their own choice, for which approval of the University must be sought, or if they...
wish, they may be considered for appointment to a few selected vacancies within the City of Bristol which have been made available for suitable candidates. All candidates will be required to devote to the course approximately forty-five hours a week, in sessions of from 2 to 3½ hours each (9 a.m. to 12.30 p.m., or 2 to 5 p.m.) every week throughout the course. The actual number of sessions for any one week will vary according to programme, but will rarely be less than three and seldom more than five, i.e. 1½ to 2½ days of the working week. In order that the number of sessions may be maintained at a reasonably even value, the sessions are not intended to observe University terms. Public holidays will be kept and short breaks at Christmas, Easter and Whitsun will occur.

Courses in Medical Radiology. The diplomas granted by the University have been discontinued. It may occasionally be possible to arrange tuition for those wishing to prepare for the Diplomas (D.M.R.D. or D.M.R.T.) of the Conjoint Board.

Further information, copies of regulations for the Bristol Diploma and application forms for the courses may be obtained from the Director of Medical Postgraduate Studies, The University, Bristol 8.

CAMBRIDGE

Cambridge University Medical School

Summary of postgraduate facilities for general practitioners from October 1, 1952, to July 28, 1953. At Addenbrooke's Hospital, unless otherwise stated.

First week in each month. Monday: Abnormal ante-natal clinic, 10.30 a.m. (Miss J. Bottomley), Maternity Hospital; Diagnosis and treatment of cancer, 2.30 p.m. (Prof. J. S. Mitchell). Tuesday: Medical ward round, 10.30 a.m. (Dr. L. B. Cole); Psychiatry, 2 p.m. (Dr. R. A. Noble). Thursday: Medical ward round, 10.30 a.m. (Dr. L. B. Cole); Cardiac clinic, 2.15 p.m. (Dr. L. B. Cole); Orthopaedic cases, 2.30 p.m. (Mr. T. J. Fairbank). Friday: Chest diseases, 2 p.m. (Dr. W. Paton Phillips and Mr. C. Parish), The Clinic, Shire Hall, Castle Hill. Saturday: Medical ward round, 10.30 a.m. (Dr. L. B. Cole); Ophthalmic cases, 10.30 a.m. (Mr. E. G. Recordon).

Second week in each month. Monday: V.D. clinical demonstration, 2.30 p.m. (Dr. S. M. Laird); Medical cases, 10.30 a.m. (Dr. L. C. Martin). Tuesday: Medical ward round, 10.30 a.m. (Dr. L. B. Cole); Radio-diagnosis, 2.30 p.m. (Dr. B. Donnelly). Wednesday: Dermatological clinic, 2.30 p.m. (Dr. C. H. Whittle). Thursday: Medical ward round, 10.30 a.m. (Dr. L. B. Cole); Plastic surgery clinic, 9.30 a.m. (Mr. L. M. Rouillard); General surgery, 2 p.m. (Mr. P. H. Ghey); Cardiac clinic, 2.15 p.m. (Dr. L. B. Cole). Friday: Medical cases, 2.30 p.m. (Dr. A. P. Dick). Saturday: Medical ward round, 10.30 a.m. (Dr. L. B. Cole).

Third week in each month. Monday: Surgical cases, 2 p.m. (Mr. B. McN. Truscott). Tuesday: Gynaecological cases, 9.30 a.m. (Mr. O. Lloyd); Medical ward round, 10.30 a.m. (Dr. L. B. Cole); Clinical psychiatry, 3 p.m. (Dr. E. Beresford Davies). Wednesday: General surgery, 10.30 a.m. (Mr. V. C. Pennell); Radiological demonstration, 2.30 p.m. (Dr. F. R. Berridge); Clinico-pathological conference, 5 p.m. (Dr. A. M. Barrett), Lecture Theatre, Dept. of Pathology, Tennis Court Road. Thursday: Medical ward round, 10.30 a.m. (Dr. L. B. Cole); E.N.T. cases, 2.30 p.m. (Dr. A. H. L. Walford); Cardiac clinic, 2.15 p.m. (Dr. L. B. Cole). Friday: Ophthalmic cases, 2.15 p.m. (Dr. M. T. Gairdner). Saturday: Medical ward round, 10.30 a.m. (Dr. L. B. Cole).

Fourth week in each month. Monday: Ophthalmic cases, 10 a.m. (Mr. G. F. Wright). Tuesday: Medical ward round, 10.30 a.m. (Dr. L. B. Cole); Demonstration of cases and methods of physical medicine, 2.15 p.m. (Dr. W. A. Fell). Wednesday: E.N.T. cases, 2 p.m. (Mr. K. F. Wilsdon). Thursday: Medical ward round, 10.30 a.m. (Dr. L. B. Cole); Cardiac clinic, 2.15 p.m. (Dr. L. B. Cole); Orthopaedic cases, 2.30 p.m. (Mr. R. W. Butler). Friday: Haematological clinic, 10 a.m. Saturday: Medical ward round, 10.30 a.m. (Dr. L. B. Cole).

The following one-day symposia will be held on Saturdays from 10.30 a.m. to 5 p.m. Each symposium will consist of three to five lectures or lecture-discussions, and demonstrations either of clinical cases or to illustrate modern methods; the subject matter and clinical material will be chosen for its special appeal to general practitioners. February 28, Dermatology. March 28, Orthopaedics and fractures. April 25, Cardiovascular diseases. May 30, Common fevers. June 27, Paediatrics. July 25, Diseases of the E.N.T.; Diseases of the eye. Detailed timetables will be available on application to the Secretary, Cambridge University Medical School, The Naval Hut, Downing College, Cambridge.

CARDIFF

The Welsh National School of Medicine

C.P.H. Wales (Certificate in Public Health). Three months' full-time course, October to December.

D.P.H. Wales (Diploma in Public Health). Twelve months' part-time course, January to December.

T.D.D. Wales (Tuberculous Diseases Diploma). Five to six months' full-time course, January to June.

D.M.R.D.Eng. (Diploma in Medical Radiodiagnosis). Eighteen months' full-time course from October.

The number of admissions to each of the above courses is strictly limited, and early application should be made to the Secretary, The Welsh National School of Medicine, 34 Newport Road, Cardiff.

DUBLIN

University College

The following courses will be held during the session 1952-53:

C.P.H. Course and examination. Michaelmas Term.

D.P.H. Course. Hilary and Trinity Terms.

Examinations. Summer Term.

D.P.M. Course and examination. Michaelmas Term.

D.C.H. Course and examination. Hilary Term.

Further particulars may be obtained on application to the Registrar, University College, Earlsfort Terrace, Dublin.

EDINBURGH

Edinburgh Postgraduate Board of Medicine

General Surgery. A three months' course of postgraduate surgery is arranged to start on March 23, 1953. It is suitable for surgeons requiring a refresher course in the current outlook on general surgery, or for graduates preparing to specialize in surgery; approximately 275 hours of instruction are provided. Fee £31 10s. od.

Internal Medicine. A course lasting 12 weeks, suitable for graduates wishing a refresher course, or to specialize in medicine, begins on March 30, 1953. These courses consist of 320 hours' instruction, comprising lectures, clinical demonstrations and ward visits. Fee
Medical Sciences. A three months' course in applied anatomy, physiology, pathology, bacteriology and biochemistry will begin on June 29, 1953. This course is suitable for postgraduates wishing to take the Primary Fellowship Examination, as a final preparation in these subjects. Considerable basic knowledge is highly desirable prior to taking this course. Fee £31 10s. od.

Applications for enrolment should be addressed to Director of Postgraduate Studies, Surgeons' Hall, Edinburgh, 8, supplying particulars of qualifications and postgraduate experience.

Royal Medical Society
The meetings of the Society are held in the Society's Hall on Friday evenings during the Autumn and Spring Terms. Meetings consist of Private Business (at 7 p.m.) and Public Business (at 8 p.m.) in which dissertations by members or addresses by prominent medical men on subjects of medical interest are given. Clinical meetings are held periodically in the Royal Infirmary and film shows of the latest medical films are given in the Society's Rooms. Prospective members will be welcomed on any Friday evening in the Society's Hall before public business.

Applications for further information should be addressed to the Secretary, Royal Medical Society, 7 Melbourne Place, Edinburgh, 1.

LIVERPOOL University of Liverpool
The following postgraduate courses of instruction are offered—

Surgery. A full-time course of one year suitable for candidates who have already completed the Primary Examination of the F.R.C.S., or undertaken postgraduate study in anatomy and physiology. On completion of the course students become eligible to take the Mastership of Surgery (Ch.M.) of this University provided they are graduates of an approved University or otherwise comply with the regulations. The fee for the course is £60. The course begins in September.

Orthopaedic Surgery. A full-time 12-month course leading by examination to a Mastership in Orthopaedic Surgery (M.Ch.Orth.) open to all medical graduates of approved Universities (and to undergraduates of faculties with qualifications in medicine) who hold an F.R.C.S. of one of the British colleges or its equivalent. The fee for the whole course is £70. The course normally begins in January.

Radiology. A full-time course of two academic years leading to a D.M.R. (D. or T.) open to medical graduates of approved Universities and to medically qualified candidates who hold approved higher medical diplomas and a degree in a faculty other than medicine. The fee for the full two-year course is £93. The course begins in October. The degree of M.Rad. may, after report by the Faculty, be conferred on holders of the D.M.R. (D. or T.) of this University under certain conditions.

Public Health. A full-time one-year course leading to the Diploma in Public Health, open to candidates with a medical qualification from an approved medical school or licensing body. The fee is £60. All courses of instruction begin in October.

Tropical Medicine and Hygiene. A full-time four-month course leading to the Diploma in Tropical Medicine and Hygiene (D.T.M. & H.) open to candidates with a medical qualification from an approved medical school or licensing body. The course begins in September and January. Fee £44.

Anaesthesia. A full-time course of post-graduate instruction, limited to ten students, begins on October 1 and lasts for one year. The course combines instruction in the practical administration of anaesthetics with lectures and demonstrations in anatomy (including dissection), physiology, pathology, physics, pharmacology medicine and surgery, and anaesthesia. For the purpose of gaining practical experience, the students are found suitable appointments in recognised General Hospitals within the Liverpool area. The fee for the course is £60. Applications for further information should be addressed to the Dean, Faculty of Medicine, The University, Liverpool 3.

MANCHESTER University of Manchester
The Michaelmas Term began on October 2nd, and postgraduate courses will be held during the session suitable for the B.P.H. II.M., and D.M.R.

For further information applications should be addressed to the Dean of Postgraduate Medical Studies, University of Manchester, Manchester, 13.

OXFORD
Postgraduate Medical Education, United Oxford Hospitals
Summary of ward rounds, clinics, demonstrations, etc., open to general practitioners from September 1952 to July 1953.

Medicine, ward rounds, Mondays, Tuesdays, Wednesdays, Thursdays and Fridays, 10.15 a.m., Radcliffe Infirmary. Medical Concilia, Wednesdays, 5 p.m. (alternate weeks), Radcliffe Infirmary. Clinical demonstrations, Thursdays, 2.15 p.m., Radcliffe Infirmary.

Clinico-pathology, conferences, Wednesdays, 5 p.m., Maternity Lecture Theatre, Radcliffe Infirmary (alternate weeks in full term). Chest Diseases, clinical demonstrations, Mondays, Wednesdays and Fridays, 2 and 3 p.m., Osler Pavilion. Tuberculosis, ward rounds, Fridays, 2 p.m., Osler Pavilion.

Paediatrics, clinical demonstrations, Saturdays, 10.30 a.m., Radcliffe Infirmary; out-patients, Thursdays, 2 p.m., Radcliffe Infirmary. Child Welfare, clinics (City) day and time by arrangement with Dr. Mary Fisher. Infectious Diseases, clinical demonstrations, day and time by arrangement with Dr. Warin, Slade Isolation Hospital. Psychiatry, clinical demonstrations, Fridays, 4 p.m., Park Hospital.

Geriatrics, clinical demonstrations, Monday, 2.15 p.m., Cowley Road Hospital. Neurology (medical and surgery), out-patients, Tuesdays and Wednesdays, 2 p.m., Radcliffe Infirmary. Clinical demonstrations, Thursdays, 5 p.m., Radcliffe Infirmary.

Veneral Diseases, out-patients, Mondays, 6 p.m., and Wednesdays, 2.30 and 5.30 p.m., and Saturdays, 2.15 p.m., Radcliffe Infirmary. Skin Diseases, out-patients, Mondays and Fridays, 2 p.m., Radcliffe Infirmary. Surgery, accident service, daily, 10.30 a.m., Radcliffe Infirmary. Ward rounds, Mondays and Fridays, 9.30 a.m., Radcliffe Infirmary, Tuesdays, 9.30 a.m., Churchill Hospital. Clinical demonstrations, Tuesdays, 4.30 p.m., Radcliffe Infirmary. Plastic Surgery, out-patients and clinical demonstrations, Fridays, 2 p.m., Churchill Hospital.

Orthopaedic Surgery, clinical demonstrations, Thursdays and Saturdays, 9 a.m., Wingfield-Morris Hospital. Obstetrics, lecture demonstrations, Mondays, Tuesdays and Fridays, 9.15 a.m., Maternity Lecture Theatre,
Radcliffe Infirmary. **Gynaecology**, ward rounds, Wednesdays, 10.30 a.m. and 5 p.m., Radcliffe Infirmary. **Obstetrics and Gynaecology**, concilia, monthly, alternate Thursdays and Fridays, 3 p.m., Maternity Lecture Theatre, Radcliffe Infirmary. **Ante-natal clinics**, out-patients, Mondays, 2 p.m., Maternity Home Radcliffe Infirmary and Churchill Hospital, Thursdays, 2 p.m., Radcliffe Infirmary Maternity Home, Fridays, 9.15 a.m., Maternity Lecture Theatre. **Post-natal clinics**, out-patients, Tuesdays, 10 a.m., Wednesdays, 2 p.m., Radcliffe Infirmary Maternity Lecture Theatre.

Short courses (conferences) on special subjects:

**Medicine.** Thursdays, March 26, April 2, 9; 3.30 p.m., Nuffield Dept. Med., Radcliffe Infirmary (Prof. W. and staff).

**Gynaecology.** Thursdays, April 16, 23, 30; 3.30 p.m., Mat. Lect. Theatre, Radcliffe Infirmary (Mr. Stallworthy and staff).

**Surgery.** Thursdays, May 7, 13, 21; 3.30 p.m., Radcliffe Infirmary (Messrs. Till and Moloney).

**Therapeutics.** Fridays, May 15, 22, 29; 8.30 p.m., Dept. Pharmacology, South Parks Road (Prof. Burn).

**Psychiatry.** Fridays, May 15, 22, 29, June 5, 12, 19; 3.30 p.m., Warneford Hospital (Dr. McInnes).

**General practitioners wishing to avail themselves of the facilities set out in this schedule should apply to the Secretary, Postgraduate Medical Committee 11 Keble Road, Oxford.**

**CONFERENCES, PRIZES, Etc.**

**Queen Square Prize in Neurology.** A prize of £100 will be awarded annually to the postgraduate student, or ex-student, of the Institute of Neurology who presents the best written paper describing clinical work carried out or initiated at the National Hospitals for Nervous Diseases. Entries must be submitted not later than September 30 each year.

**Full particulars from the Dean, Institute of Neurology, Queen Square, The National Hospital, Queen Square, London, W.C.1.**

**First World Congress on Fertility and Sterility** will be held by the International Fertility Association in conjunction with the American Society for the Study of Sterility in New York City in May 1953.

**For further information apply to Dr. Carlos D. Guerrero, Secretary-General, Miguel E. Schulz 19, Mexico, D.F., or to Dr. Ahner I. Weissman, Associate Secretary-General, 1160 Fifth Avenue, New York, N.Y., U.S.A.**

**Ophthalmological Society of the United Kingdom.** The next Annual Congress will be held on April 23, 24 and 25, 1953, at the Royal Society of Medicine, 1 Wimpole Street, London, W.1.

**For further information apply to the Honorary Secretaries, The Ophthalmological Society of the United Kingdom, 45 Lincoln's Inn Fields, London, W.C.2.**

**Health Congress.** The Royal Sanitary Institute has arranged a Health Congress at Hastings from April 28 to May 1, 1953. The subscription for admission tickets to the Congress and for copies of proceedings is £2 2s. 6d. per delegate.

**Application should be made to the Secretary, Royal Sanitary Institute, 90 Buckingham Palace Road, London, S.W.1.**
