D-dimers, An algorithm for the investigation and management of patients with suspected deep venous thrombosis at a district general hospital, 742
decision making, Clinical decision-making: coping with uncertainty, 319
decay, Common krait (Bungarus caeruleus) bite in Anuradhapura, Sri Lanka: a prospective clinical study, 1996–98, 276
depression, Anxiety and depression in an older research population and their impact on clinical outcomes in a randomised controlled trial, 674
diabetes mellitus, Resolution of diabetic autonomic neuropathy, 360
diabetes, A patient with bag of pancreatic stones, 500
an early case of gestational diabetes mellitus, 562
an unusual case of gestational diabetes mellitus, 562
an early case of gestational diabetes mellitus; evaluation of a simple outpatient procedure using thermal perception, 541
Failure to develop diabetic ketoacidosis in a newly presenting type 1 diabetic patient, 317
Hyperkalaemia in an elderly diabetic patient, 54
diabetic myeloma, A case of acute swelling of the left shoulder, 374
diabetic neuropathy, Early recognition of diabetic neuropathy: evaluation of a simple outpatient procedure using thermal perception, 541
diagnosis, Breath analysis to detect recent exposure to carbon monoxide, 233
Misinterpretation of the chest x ray as a factor in the delayed diagnosis of lung cancer, 158
diarrhoea, An unusual case of multiple infarcts, 431
dilated cardiomyopathy, Cardiac involvement in HIV infected people in Yaounde, Cameroon, 678
discitis, Refusal to walk in an atelbrile well toddler, 568
dislocation, A painful and deformed shoulder in a child aged 183, 473
deliverability, An interesting case of small bowel obstruction, 626
doctor-patient relationship, ‘Cases’ and voices: the changing agenda for doctors and their patients, 701
doctors’ working lives, Time off, 511
dorsalis pedis pulse, Dorsalis pedis arterial pulse: palpation using a bony landmark, 746
dural sinus thrombosis, Recurrent orogenital ulcers with papillodeama and headaches, 54
dural tear, Abdominal pain in a diabetic myeloma patient with diabetes, 161
dyspepsia, A rational approach to uninvestigated dyspepsia in primary care: review of the literature, 707
Audit of a nurse endoscopist based one stop dyspepsia clinic, 51
Dysplasia, Knowledge of aspects of acute care in trainee doctors, 335
Ehlers-Danlos syndrome, Type IV Ehlers-Danlos syndrome: a surgical emergency, 58
Elbow fistulas, Elbow fistulas using autogenous vein: patency rates and results of revision, 483
Elbow, Recurrent painful looking of the elbow joint, 301
elderly, Ability to learn inhaler technique in relation to cognitive scores and tests of praxis in old age, 37
Chronic subdural haematoma in the elderly, 71
labour, Causes of falls in hospitalised elderly patients: a case-control study, 487
Older people and ill fitting shoes, 344
Will an orange a day keep the doctor away?, 347
electrical injury, A three year prospective audit of 212 presentations to the emergency department after electrical injury with a management protocol, 283
echocardiogram, Unusual cardiac manifestation of hypereosinophilic syndrome, 490
education, Knowledge of aspects of acute care in trainee doctors, 335
Ehlers-Danlos syndrome, Bullous lungs: diverse aetiology, 689
Type IV Ehlers-Danlos syndrome: a surgical emergency, 501
elbow fistulas, Elbow fistulas using autogenous vein: patency rates and results of revision, 483
Elbow, Recurrent painful looking of the elbow joint, 301
elderly, Ability to learn inhaler technique in relation to cognitive scores and tests of praxis in old age, 37
Chronic subdural haematoma in the elderly, 71
labour, Causes of falls in hospitalised elderly patients: a case-control study, 487
Older people and ill fitting shoes, 344
Will an orange a day keep the doctor away?, 347
electrical injury, A three year prospective audit of 212 presentations to the emergency department after electrical injury with a management protocol, 283
ephropathic cystitis, A case of acute swelling of the left shoulder, 374
encephalopathy, Diagnosis and treatment of viral encephalitis, 575
end stage renal disease, Vaccination against hepatitis B infection in patients with end stage renal disease, 538
end stage renal failure, Changes in the corrected QT interval and corrected QT dispersion during haemodialysis, 273
endocarditis, An unusual case of infective endocarditis, 290
endoscopy, A rational approach to uninvestigated dyspepsia in primary care: review of the literature, 707
Variable use of endoscopic haemostasis in the management of bleeding peptic ulcers, 347
enteral feeding, Enteral feeding. Nasogastric, nasojugal, percutaneous endoscopic gastrostomy, or jejunostomy: its indications and limitations, 198
enterocutaneous fistulae, Vacuum assisted closure system in the management of enterocutaneous fistulae, 364
enterocutaneous fistula, Vacuum assisted closure system in the management of enterocutaneous fistula, 699
enterolith, An interesting case of small bowel obstruction, 626
enzyme replacement therapy, Enzyme replacement therapy in the management of longstanding skeletal and soft tissue salmmonella infection in a patient with Gaucher’s disease, 564
eosinophilic gastroenteritis, Eosinophilic gastroenteritis mimicking pancreatic cancer, 498
epidemicology, Epidemiology of perforated colon diverticular disease, 654
epidermal growth factor receptor, Epidermal growth factor receptor and bladder cancer, 564
epidural abscess, Back pain and systemic compromise, 373
epistaxis, An unusual epistaxis, 519
erythema gyratum repens, An episodic eruption, 249
ethics, Ethical, professional, and legal obligations in clinical practice, 61
evidence based medicine, Clinical decision-making: coping with uncertainty, 319
exercise electrocardiography, An audit of activity and outcome from a daily and a weekly “one stop” rapid assessment clinic, 43
experiential knowledge, What’s so good about place learning?, 637
expertise, What’s so good about place learning?, 637
explosions, Free gas in the peritoneal cavity: the final hazard of diathery, 496
extrinsic compression, Aortic root abscesses presenting as unstable angina due to extrinsic compression of the left coronary artery, 168
Faby’s disease, An unusual case of chronic renal failure, 103
facet joint cyst, An uncommon cause of lumbar radiculopathy, 182
failed thrombolysis, Rescue percutaneous coronary intervention for failed thrombolysis: results from a district general hospital, 330
falls, Iatrogenic causes of falls in hospitalised elderly patients: a case-control study, 487
family medicine, Postgraduate training in family medicine in Albania, 308
fatigue, Fatigue in cholestatic liver disease—a perplexing symptom, 404
femoralostial bypass, An aggressive policy of bilateral saphenous vein harvest for infragenicular revascularisation in the era of multidrug resistant bacteria, 339
femoropopliteal bypass, Integrated care pathways for vascular surgery: an analysis of the first 18 months, 172
fertility, Prognosis for fertility and ovarian function after treatment with radioiodine for thyroid cancer, 92
fever, An unusual case of multiple infarcts, 431
fibroepithelial bronchoscope, Foreign body aspiration: clinical utility of flexible bronchoscopy, 399
fibrocalsalciun pancreatopathy, A patient with bag of pancreatic stones, 500
filariasis, Young male with pancytopenia: an unusual cause, 300
fine needle breast aspirates, Parasites in fine needle breast aspirates—assessment of host tissue response, 165
fires, Free gas in the peritoneal cavity: the final hazard of diathery, 496
Florence Nightingale, Reactions from the medical and nursing professions to Nightingale’s “reform(s)” of nurse training in the late 19th century, 118
folic acid, Homocysteine and “Buerger’s disease”, 500
food borne disease, Watermelon poisoning, 124
foot diseases, Older people and ill fitting shoes, 344
foreign body aspiration, Foreign body aspiration: clinical utility of flexible bronchoscopy, 399
gall bladder surgery, Costs of waiting for gall bladder surgery, 668
gastric cancer, Regional differences in incidence of gastric and colonic cancer in the Mediterranean, 419
gastrointestinal haemorrhage, Management of gastrointestinal haemorrhage, 4
Variable use of endoscopic haemostasis in the management of bleeding peptic ulcers, 347
gastro-oesophageal reflux, A review of oesophageal manometry testing in a district general hospital, 34
Gaucher’s disease, Enzyme replacement therapy in the management of longstanding skeletal and soft tissue salmonella infection in a patient with Gaucher’s disease, 564
general practice, Investigation and management of iron deficiency anaemia in general practice: an analysis of the first 18 months, 172
general practitioner, “Cases” and voices: the changing agenda for doctors and their patients, 701
general surgeons, Prevention of venous thromboembolism in Albania: results of a survey among general surgeons, 88
glidain, Neurological complications of coeliac disease, 393
glove perforation, Intraprochoive glove perforation, 42
gluten, Neurological complications of coeliac disease, 393
gonadotrophin releasing hormone analogue, Prostate cancer, 590
Graves’ disease, An interesting case of thirst and polyuria, 248
groin pain, Lateral groin pain, 627
group C salmonella, Enzyme replacement therapy in the management of longstanding skeletal and soft tissue salmonella infection in a patient with Gaucher’s disease, 564

www.postgradmedj.com
lumbar disc prolapse, Free gas in the peritoneal cavity: the final hazard of diaphermy, 496
left bundle branch block, Transient disappearance of left bundle branch block pattern: an unusual ECG presentation of acute pulmonary embolism, 555
leg cramps, Nocturnal leg cramps in elderly people, 596
leishmaniasis, New World leishmaniasis from Spain, 757
lipid storage disorder, Failure to thrive in a 3 month old boy, 567
live donor nephrectomy, Living kidney donation: a comparison of laparoscopic and conventional open operations, 153
liver abscess, Cullen’s sign in amoebic liver abscess, 427
liver failure, Troponin T elevation in lobar lung disease, 443
love strategy, Hypom with love: the origination of clown therapy, 447
low pressure headache, Abdominal pain in a diabetic myeloma patient with cirrhosis, 375
lumbar disc prolapse, Back pain and systemic compromise, 373
lumbar radiculopathy, An uncommon cause of lumbar radiculopathy, 152
lung abscess, Skeletal dysplasia with unusual visceral manifestations, 99
lung cancer, Misinterpretation of the chest x-ray as a factor in the delayed diagnosis of lung cancer, 158
lung nodules, Lung nodules in a silver polisher, 628
lymphoma, Lymphoma in an ileostomy, 368
macroGLOSSIA, Intramuscular lipomatosis of tongue, 295
magnesium, Magnesium in stroke treatment, 641
magnetic resonance imaging, A smoker with an apical mass, 629
malignancy, An episodic eruption, 429
malignant broncho-oesophageal fistula, A case of cough and dysphagia, 104
mammary tuberculosis, Mammary tuberculosis: report on 52 cases, 422
management, National audit of the management of periostinal abscesses, 545
manometry, A review of oesophageal manometry testing in a district general hospital, 34
Marfan’s syndrome, Bullous lungs: diverse aetiology, 689
measles, Subacute sclerosing panencephalitis, 63
Meckel’s diverticulum, Anaemia: an unusual case, 303
medical audit, cancer, Guidelines, compliance, and effectiveness: a 12 months’ audit in an acute district general healthcare trust on the two week rule for suspected colorectal cancer, 748
medical education, Role of the clinical tutor, 639
medical ethics, Clinical decision-making: coping with uncertainty, 319
medical history, Reactions from the medical and nursing professions to Nightingale’s “reform(s)” of nurse training in the late 19th century, 118
medical law, Impact of the European Convention on Human Rights on medical law, 573
medication, Patient recall of medication details in the outpatient clinic. Audit and assessment of the value of printed instructions requesting patients to bring medications to clinic, 479
medicolegal issues, Ethical, professional, and legal obligations in clinical practice, 61
Ethical, professional, and legal obligations in clinical practice, 61
menopause, Monitoring hormone replacement therapy by biochemical markers of bone metabolism in menopausal women, 727
mental health legislation, Human Rights Act 1998 and mental health legislation: implications for the management of mentally ill patients, 178
mercapto purine, 6-Mercaptopurine, 6-Mercaptopurine teratogenicity, 572
Merkel cell carcinoma, A proliferating pimple, 248
meta-analysis, Best evidence and the clinical decision making process, 316
clinical application of findings of clinical trials and systematic reviews, 129
Dataand models determine treatment proposals—an illustration from meta-analysis, 131
metastasis, Isolated spiculated metastasis from carcinoma of the breast, 173
methicillin resistant Staphylococcus aureus, An aggressive policy of bilateral saphenous vein harvest for infragenicular revascularisation in the era of multidrug resistant pertoneum, 339
methotrexate, Delayed reactivation of haloperidol induced photosensitive dermatitis by methotrexate, 116
microvascular angina, Adenosine provokes diastolic dysfunction in microvascular angina, 40
migraine, The danger of ignoring a migraine, 53
mistakes, Sleep deprivation and junior doctors’ performance and confidence, 85
mitochondrial disease, Progressive cardiomyopathy as manifestation of mitochondrial disease, 298
monofilament, Early recognition of diabetic neuropathy: evaluation of a simple outpatient procedure using thermal perception, 541
motor neurone disease, Management of motor neurone disease, 736
Motor neurone disease, 513
movement disorder, Prognosis of Japanese encephalitis patients with dystonia compared to those with parkinsonian features only, 238
MTHFR, Homocysteine and ‘Buergel’s disease’, 500
falciparum malaria, Falciparum malaria in patients with concomitant renal disease, 170
multiple endocrine neoplasia syndrome type 2A, MEN-2A syndrome and pulmonary metastasis, 51
multiple sclerosis, Multiple sclerosis and pregnancy, 460
muscle disease, Nocturnal leg cramps in older people, 596
muscle haematomy, Early diagnosis of colonic carcinoma: a haemorrhagic complication after the use of tissue plasminogen activator, 429
myotic aneurysm, An unusual case of multiple infarcts, 431
myocardial infarction, Acute myocardial infarction in young adults, 381
Acute myocardial infarction in young adults, 381
Critical review of unstable angina and non-ST elevation myocardial infarction, 717
Influence of thrombolytic therapy on the patterns of ventricular septal rupture after acute myocardial infarction, 408
Rescue percutaneous coronary intervention for failed thrombolysis: results from a district general hospital, 330
myocardial infarct, An unusual case of multiple infarcts, 431
myocardial injury, Troponin T elevation in lobar lung disease, 244
myoglobinur, A bad dose of ‘flu, 573
necrotising fasciitis, Necrotising fasciitis in a patient receiving infliximab for rheumatoid arthritis, 47
neonate, Congenital scoliosis in a neonate: can a neonatologist ignore it?, 469
neuromyelitis optica, A smoker with an apical mass, 629
neuropathy, Magnesium in stroke treatment, 461
neurotransmitter receptors, transporters, and release, Understanding the pathology of schizophrenia: recent advances from the study of the molecular architecture of post-mortem CNS tissue, 142
NHS complaints procedure, The NHS complaints system, 651
nitrofurantoin, Malaise, weight loss, and respiratory symptoms, 55
on-site cardiac surgery, Rescue percutaneous coronary intervention for failed thrombolysis: results from a district general hospital, 330
nocardiosis, Young man with progressive weight loss, fevers, and pleural mass, 690
non-prescribed medication, Use of complementary therapies and non-prescribed medication in patients with Parkinson’s disease, 612
nurse endoscopy, Audit of a nurse endoscopist based one stop dyspepsia clinic, 161
nursing, Reactions from the medical and nursing professions to Nightingale’s “reform(s)” of nurse training in the late 19th century, 118
nutrition, Enteral feeding. Nasogastric, nasojejunal, percutaneous endoscopic gastrostomy, or jejunostomy: its indications and limitations, 198
obstetrics, The start of life: a history of obstetrics, 311
occlusive vasculitis, Recurrent orogenital ulcers with papilloeodema and headaches, 317
octreotide, Possible functional regression of insulinoma with prolonged octreotide, 623
oesophagus, A review of oesophageal manometry testing in a district general hospital, 34
older people, Nocturnal leg cramps in older people, 596
omeprazole, Cutaneous leucocytoclastic vasculitis associated with omeprazole, 114
one stop clinic, Audit of a nurse endoscopist based one stop dyspepsia clinic, 161
operating theatre, Free gas in the peritoneal cavity: the final hazard of diaphermy, 496
oral candidiasis, Oral candidiasis, 455
oral health, Are single mothers in Britain failing to monitor their oral health?, 229
organ shortages, Liver transplantation for chronic liver disease: advances and controversies in an era of organ shortages, 135
Data and models determine treatment proposals—an illustration from meta-analysis, 131
rapid assessment chest pain clinic, An audit of activity and outcome from a daily and a weekly "one stop" rapid assessment chest pain clinic, 43
Raynaud's phenomenon, A woman with dysphagia and Raynaud's phenomenon, 102
Thoracoacromial sympathetic angiography for palmar hyperhidrosis and Raynaud's phenomenon of the upper limb and excessive facial blushing: a five year experience, 682
rectum, Guidelines, compliance, and effectiveness: a 12 months' audit in an acute district general hospital trust on the two week rule for suspected colorectal cancer, 748
rectus sheath haematoma, Rectus sheath haematoma: a new set of clinical features, 755
refusal to walk, Refusal to walk in an ambulette well toddler, 568
rescue percutaneous coronary intervention, Rescue percutaneous coronary intervention for failed thrombolysis: results from a district general hospital, 339
research and development, Culyer, research governance, and all that, 703
respiratory failure, Adult Still's disease and respiratory failure in a 74 year old woman, 97
respiratory support, Management of motor neurone disease, 736
reperfusion bleeding, Type IV Ehlers-Danlos syndrome: a surgical emergency, 501
reversible posterior leucoencephalopathy syndrome, The danger of ignoring a migraine, 53
revision surgery, Elbow fractures using autogenous vein: patency rates and results of revision, 483
rhabdomyolysis, A bad dose of 'flu, 543
rheumatoid arthritis, Necrotising fasciitis in a patient receiving infliximab for rheumatoid arthritis, 47
rib tumour, A man with a chest mass, 629
to the right, Impact of the European Convention on Human Rights on medical law, 574
riluzole, Management of motor neurone disease, 736
risk factors, Epidemiology of perforated colonic diverticular disease, 654
risk, How informed is consent? Understanding of pictorial and verbal probability information by medical inpatients, 543
rofecoxib, COX-2 inhibitor, Fatal haemorrhagic pulmonary oedema and associated angioedema after the ingestion of rofecoxib, 439
sacral tumours, Renal involvement in an Anderson-Fabry hetrozygote, 759
salmonella, An unusual case of multiple infarcts, 431
schizophrenia, Understanding the pathology of schizophrenia: recent advances from the study of the molecular architecture of postmortem CNS tissue, 142
schwannoma, A smoker with an apical mass, 629
scoliosis, Congenital scoliosis in a neonate: can a neonatologist ignore it?, 469
screening programme, Can we improve the outcome of colorectal cancer by early diagnosis?, 255
scuroy, Early diagnosis of colonic carcinoma: a haemorrhagic complication after the use of tissue plasminogen activator, 429
James Lind's Treatise of the Scurvy (1753), 695
Will an orange a day keep the doctor away?, 344
sexually transmitted disease, Role of the human papilloma virus in the development of cervical intraepithelial neoplasia and malignancy, 225
shaken baby syndrome, Shaken baby syndrome, 732
Sheffield table, Comparative evaluation of the new Sheffield table and the modified joint British societies coronary risk prediction chart against a laboratory based risk score calculation, 269
shoes, Older people and ill fitting shoes, 344
short bowel syndrome, Prolonged fever with recurrent diarrhoea, 432
shoulder, Complications associated with influenza infection, 100
sickle cell pain crisis, Fulminant ischaemic colitis with atypical clinical features complicating sickle cell disease, 370
siderosis, Lung nodules in a silver polisher, 628
simvastatin, Ulcerative colitis after statin treatment, 286
single mothers, A woman with dysphagia and Raynaud's phenomenon, 102
Sister Joseph's Nodule, Sister Joseph's nodule, 174
Sjögren's syndrome, Yoghurt biotherapy: contraindicated in immunosuppressed patients?, 366
skin contamination, Intraoperative glove perforation, 62
skin lesion, A proliferating papule, 248
sleep deprivation, Sleep deprivation and junior doctors' performance and confidence, 85
Testing the limits of medical knowledge is inappropriate, 443
Slovakia, Newcastle negative endocarditis: data from the national survey in Slovakia, 61
slow virus infection interferon alfa, isoprinosine, Subacute sclerosing panencephalitis, 63
social medicine, "Cases" and voices: the changing agenda for doctors and their patients, 701
somatostatin analogue, Possible functional regression of insulinoma with prolonged octreotide, 623
Southern Africa, AIDS in Southern Africa, 127
Spain, New World leishmaniasis from Spain, 757
spinal canal stenosis, Spinal reconstruction for symptomatic thoracic haemangioma using a titanium cage, 559
spinal epidymydymoma, Spinal tumour with raised intracranial pressure, 628
spinal reconstruction, Spinal reconstruction for symptomatic thoracic haemangioma using a titanium cage, 559
spleen, Isolated splenic metastasis from carcinoma of the breast, 173
splenectomy, Isolated splenic metastasis from carcinoma of the breast, 173
Unusual cause of fever, jaundice, and hepatomegaly in a middle aged man, 566
spomeneomaly, Adult Still's disease and respiratory failure in a 74 year old woman, 97
spontaneous closure, Spontaneous closure of an acquired ventricular septal defect, 425
St Thomas's Hospital, Henry Currey FRIBA (1820–1900): leading Victorian hospital architect, and early exponent of the "pavilion principle", 352
staging, Lymphoma in an ileostomy, 368
management of colorectal cancer, 473
Staphylococcus aureus, Methillicin resistantStaphylococcus aureus (MRSA) in the intensive care unit, 385
statin treatment, Ulcerative colitis after statin treatment, 286
statistical models, Clinical application of findings of clinical trials and systematic reviews, 129
DYNAMIQ models determine treatment proposals—an illustration from meta-analysis, 131
stress echocardiography, Adenosine provokes diastolic dysfunction in microvascular angina, 40
stress fracture, Painful knees, 691
stress, Reducing the stress in medicine, 263
Survey of junior hospital doctors' attitudes to cardiopulmonary resuscitation, 413
stroke, An unusual case of multiple infarcts, 431
Magnesium in stroke treatment, 641
Stroke care: how do we measure quality?, 322
structure of care, Stroke care: how do we measure quality?, 322
subacute sclerosing panencephalitis, Subacute sclerosing panencephalitis, 63
subdural haematoma, Shaken baby syndrome, 732
superficial bladder cancer, Use of Bacille Calmette-Guérin in superficial bladder cancer, 449
superior lumbar hernia, Superior lumbar hernia of Grynfellt, 472
suppression, Bacille Calmette-Guérin lymphadenitis, 327
surgery, screening, Management of colorectal cancer, 473
surgery, Intraoperative glove perforation, 62
surgical training, Surveillance of surgical training by detailed electronic registration of local components, 607
surveillance, Surveillance in Barrett’s oesophagus: a personal view, 263
syncpe, Unusual cardiac manifestation of hypereosinophilic syndrome, 490
synovial chondromatosis, Recurrent painful locking of the elbow joint, 301
syringomyelia, A case of acute swelling of the left shoulder, 774
A woman with painless burns, 182
systematic reviews, Best evidence and the clinical decision making process, 316
Clinical application of findings of clinical trials and systematic reviews, 129
systemic lupus erythematosus, Current concepts for the management of systemic lupus erythematosus in adults: a therapeutic challenge, 599
systemic sclerosis, A woman with dysphagia and Raynaud's phenomenon, 102
tape closure, Closure of traumatic wounds without cleaning and suturing, 281
teratogen, 6-Mercaptopurine teratogenicity, 572
test-and-treat, A rational approach to uninvestigated dyspepsia in primary care: review of the literature, 707
thorascopic sympathectomy, Thorascopic sympathectomy for palmar hyperhidrosis and Raynaud's phenomenon of the upper limb and excessive facial blushing: a five year experience, 682
thrombolyis, Early diagnosis of colonic carcinoma: a haemorrhagic complication after the use of tissue plasminogen activator, 429
thrombotic therapy, Influence of thrombolytic therapy on the pattern of ventricular septal rupture after acute myocardial infarction, 408
thrombophlebitis, A man with swollen calf and discoloration of the foot, 300
thrombotic microangiopathy, HIV associated thrombotic microangiopathy, 520
thrombotic thrombocytopenic purpura, HIV associated thrombotic microangiopathy, 520
thyroid cancer, Prognosis for fertility and ovarian function after treatment with radiodine for thyroid cancer, 92
thyrotoxicosis, An interesting case of thirst and polyuria, 248
Complications associated with influenza infection, 100
Thyrotoxic periodic paralysis in a woman, 687
thyrotoxicosis, Prolonged fever with recurrent diarrhoea, 432
Tip-therm, Early recognition of diabetic neuropathy: evaluation of a simple outpatient procedure using thermal perception, 541
tissue Doppler, Adenosine provokes diastolic dysfunction in microvascular angiina, 40
trabecular carcinoma, A proliferating pimple, 248
trainee doctors, Confidence levels of PRHOs in caring for acutely ill patients, 697
Knowledge of aspects of acute care in trainee doctors, 697
Knowledge of aspects of acute care in trainee doctors, 697
Should inexperienced trainees be delivering acute medical services?, 698
training support, Surveillance of surgical training by detailed electronic registration of logical components, 607
training, Clinical decision-making: coping with uncertainty, 319
training/trainees, Knowledge of aspects of acute care in trainee doctors, 335
transoesophageal echocardiography, Multifocal cardiac leiomyosarcoma. Diagnosis and surveillance by transoesophageal echocardiography and contrast enhanced cardiovascular magnetic resonance, 492
traumatic stab wound, Abdominal pain in a diabetic myeloma patient with cirrhosis, 375
Trichinella species New aspects of human trichinellosis: the impact of new Trichinella species, 15
tricyclic antidepressants, The role of tricyclic antidepressants and tramadol in palliative care, 124
The role of tricyclic antidepressants and tramadol in palliative care, 124
troponin T, Troponin T elevation in lobar lung disease, 244
Troponin T elevation in lobar lung disease, 443
tube feeding, Enteral feeding. Nasogastric, nasojugal, percutaneous endoscopic gastrostomy, or jejunostomy: its indications and limitations, 198
tuberculosis, An unusual presentation of calvarial tuberculosis, 184
ulcerative colitis, An unusual complication of ulcerative colitis, 503
Does patient knowledge affect the colorectal cancer risk in ulcerative colitis?, 615
undernutrition, Will an orange a day keep the doctor away?, 292
understanding, How informed is consent? Understanding of pictorial and verbal probability information by medical inpatients, 543
unstable angina, Critical review of unstable angina and non-ST elevation myocardial infarction, 717
vacination, Vaccination against hepatitis B infection in patients with end stage renal disease, 538
vacuum assisted closure system, Vacuum assisted closure system in the management of enterocutaneous fistulae, 699
Vacuum assisted closure system in the management of enterocutaneous fistulae, 384
valproate encephalopathy, Valproate encephalopathy and hyperammonaemia, 316
vancomycin, Yoghurt biotherapy: contraindicated in immunosuppressed patients?, 366
vascular anomaly, Pulmonary arteriovenous malformation, 191
vascular lesion, A elderly lady with collapse, 317
vascular surgery, Integrated care pathways for vascular surgery: an analysis of the first 18 months, 175
vasculitis, Polyarteritis nodosa presenting as a pyrexia of unknown origin, 685
vaseo-occlusive disease, Fulminant ischaemic colitis with atypical clinical features complicating sickle cell disease, 370
venepuncture, How safe is blood sampling? Anterior interosseus nerve injury by venepuncture, 625
venous thromboembolism, Prevention of venous thromboembolism in Wales: results of a survey among general surgeons, 88
ventricular septal defect, Influence of thrombolytic therapy on the patterns of ventricular septal rupture after acute myocardial infarction, 408
verrucous lesion, A verrucous lesion of the palm, 302
vertebral haemangioma, Spinal reconstruction for symptomatic thoracic haemangioma using a titanium cage, 559
viral encephalitis, Diagnosis and treatment of viral encephalitis, 575
Japanese viral encephalitis, 205
visual field defect, An elderly lady with collapse, 105
vitamin C deficiency, Early diagnosis of colonic carcinoma: a haemorrhagic complication after the use of tissue plasminogen activator, 429
vitamin C, James Lind's 'Treatise of the Scurvy' (1753), 695
Will an orange a day keep the doctor away?, 292
von Hippel-Lindau disease, von Hippel-Lindau disease complicated by pheochromocytoma, 443
waiting times, Audit of a nurse endoscopist based one stop dyspepsia clinic, 161
Wallenberg's lateral medullary syndrome, Wallenberg's lateral medullary syndrome, 618
Weber's syndrome, An elderly lady with collapse, 105
Wilson's disease, A 15 year old girl with fever, jaundice, haemolysis, and sudden clinical deterioration, 250
Wnt pathway, Understanding the pathology of schizophrenia: recent advances from the study of the molecular architecture of postmortem CNS tissue, 142
Wolman's disease, Failure to thrive in a 3 month old boy, 567
work pressure, Reducing the stress in medicine, 1
working patterns, Time off, 511
wound cleaning, Closure of traumatic wounds without cleaning and suturing, 281
pneumoperitoneum, An unusual case of multiple infarcts, 431
young adults, Acute myocardial infarction in young adults: causes and management, 27
Acute myocardial infarction in young adults, 381
