Pinto A, Faiz O, Vincent C. Republished: Managing the after effects of serious patient safety incidents in the NHS: an online survey study. *Postgrad Med J* 2013;**89**:266–273.

In the abstract, under Results, the sentence “two-thirds of the discussions taking place 3–6 weeks after the investigation” should read “two-thirds of the discussions taking place 3–6 months after the investigation”. Also in the main text, under the results, the sentence “two-thirds take place 3–6 weeks after the investigation” should read “two-thirds take place 3–6 months after the investigation”.
