(New Series)

FEBRUARY, 1936.

Monthly. Price 2s. net.

## King George V.

---

With the rest of his loyal subjects we would desire to express our feeling of heart-felt loss at the death of His Majesty, King George V. of blessed memory. It will always be recalled that among his very many interests post-graduate teaching occupied a place, as was evidenced only recently, during his ever memorable Jubilee year, when he graciously performed the opening ceremony of the British Post-Graduate Medical School.
