Post-Graduate News

Courses of instruction in medical and surgical subjects are arranged from time to time as the opportunity occurs, and may be attended by any medical practitioner, though a slightly higher fee is payable by those who are not Members of the Fellowship of Medicine. Detailed syllabuses of each course are prepared as soon as possible, and if post-graduates will notify the Fellowship of Medicine (1, Wimpole Street, London, W.1) of the subjects in which they are interested, their names will be entered on the appropriate mailing lists to receive copies, without charge, when published.
