

Tropical Medicine and Hygiene. A full-time three-month course in the Liverpool School of Tropical Medicine leading to the Diploma in Tropical Medicine and Hygiene (D.T.M. & H.) is open to candidates with a medical qualification from an approved medical school or licensing body. Courses begin in September and January. Course fee £63.

Anæsthesia. A full-time course of postgraduate instruction limited to 12 students begins in October and lasts for one year. The course combines instruction in the practical administration of anæsthetics with lectures and demonstrations in anatomy, physiology, pathology, physics, pharmacology, medicine and surgery, and anaesthesia. For the purpose of gaining practical experience, the students are found suitable appointments in recognized general hospitals within the Liverpool area. Course fee £90.

Psychological Medicine. A part-time course begins in January and extends over two years. It is divided into two parts corresponding to the two parts of the examination for the Diploma in Psychological Medicine awarded by the Examining Board in England (R.C.P., London, and R.C.S., England). The course is also suitable for those intending to take the degree of Doctor of Medicine by examination in Psychological Medicine, as provided for under Ordinance XLVII, Clause 3. Part I provides instruction in (a) anatomy (macroscopic and microscopic) and physiology of the nervous system, and (b) psychology. Part II deals with (a) clinical neurology and neuropathology, (b) psychological medicine, including general psychiatry, psychoneuroses, mental deficiency, child psychiatry, forensic psychiatry and social psychiatry. Both parts of the course will be held simultaneously. Students may join a course at the beginning of any of the three University terms and enrol for either part separately, but, except in special circumstances, will not be permitted to take both parts concurrently. Applications to attend for a special subject in Part II of the course (e.g. mental deficiency) will be considered individually. Course fee £84 or £15 per term.

Venereology. A three-month course in venereology leading to the V.D. Officer Certificate is conducted at times to be arranged. The course is open to medical practitioners and the University empowers the issue of certificates to candidates who have satisfactorily attended the course and passed the required examination. The accommodation available will only permit a limited number being accepted for the course. Fee 18 guineas per course.

Oto-rhino-laryngology. A part-time two-year course

leading to examination for the M.Ch.Otol. degree is open to candidates with a registrable qualification and the Diploma in Laryngology and Otology (D.L.O.). The course begins in October. Course fee £60 per annum.

Applications for further information should be addressed to the appropriate department of the University, Liverpool, 3.
