ACUTE NECROTIZING ENCEPHALITIS AND OTHER HERPES SIMPLEX VIRUS INFECTIONS

Introduction	373
MAURICE LONGSON	
SESSION 1: Clinical spectrum of herpes simplex virus infections	375
<i>Chairman:</i> PROFESSOR J. M. EVANSON	
Herpes simplex virus infections	375
B. E. JUEL-JENSEN	
Neonatal herpesvirus hominis infections	380
R. W. JOHN AND J. O'H. TOBIN	
The clinical features of herpes simplex encephalitis (acute necrotizing encephalitis)	383
L. A. LIVERSEGE	
Herpes simplex virus encephalitis: clinical features and residual damage	387
J. M. OXBURY AND F. O. MACCALLUM	
Discussion	390
SESSION 2: Laboratory diagnosis of herpes simplex infection	393
<i>Chairman:</i> DR F. O. MACCALLUM	
Herpes simplex encephalitis: a clinical and pathological analysis of twenty-two cases	393
HUME ADAMS AND DOUGLAS MILLER	
The rapid diagnosis of herpes encephalitis	398
T. H. FLEWETT	
Virological diagnosis of herpes simplex encephalitis in Glasgow (1962-71)	401
CONSTANCE A. C. ROSS	
Immunofluorescence in the diagnosis of herpes encephalitis	403
MAURICE LONGSON	
Discussion	406
SESSION 3: Therapy of herpes simplex encephalitis	410
<i>Chairman:</i> DR J. C. LEONARD	
Molecular pharmacology of the pyrimidine analogues	410
L. G. LAJTHA	
Haematological complications of therapy with pyrimidine analogues	413
C. G. GEARY	
Pyrimidine analogues in the treatment of experimental herpes infections	416
A. H. TOMLINSON AND F. O. MACCALLUM	
Management of acute necrotizing encephalitis	419
MARC RAPPEL	
Anti-herpetic activity of a combination of L'asparaginase and cytosine arabinoside used <i>in vitro</i>	428
R. CAPPEL, L. THIRY AND J. KLATERSKY	
Cytosine arabinoside treatment of varicella-zoster	429
THOMAS C. HALL, R. G. DOUGLAS, C. HOLTON, J. B. HANSHAW AND R. F. BETTS	
Discussion	437
