## THE TAVISTOCK SQUARE CLINIC,

51, Tavistock Square, W.C. 1,

ABOUT THREE TIMES A YEAR.

The NEXT COURSE BEGINS  
NOVEMBER 2nd.

CLINICAL WORK IS ARRANGED  
AS OPPORTUNITY OFFERS.

For full information apply to the HON. LECTURE  
SECRETARY, at the Clinic.

# THE HOSPITAL FOR SICK CHILDREN, GREAT ORMOND ST., W.C.1.

This Hospital contains 252 beds, with an average admission of 5,000 in-patients per annum; whilst in the out-patient Department about 25,000 new patients are seen each year. The Medical School is recognised by the Universities of Oxford, Cambridge, and London, and by the Conjoint Medical Board of England, as a teaching institution where two months' clerking and dressing may be carried out by any undergraduate student who is entering for a final qualifying examination. In addition, for students who have completed four years of medical study, six months of the fifth year may be spent there in clinical work under recognition from the Conjoint Board. Post-graduate instruction, open to all qualified medical men and women, is given daily in the wards, out-patient department, operating theatre, and *post-mortem* room by members of the visiting staff. In addition, lectures are arranged for them throughout the year, announcements of which are made from time to time, and full details of them can be obtained from the Dean or Secretary at the Hospital. Clinical clerkship in the wards and clinical assistantships in the out-patient department are also available for post-graduate students. Opportunities for study are also offered in the Ophthalmic, Dermatological, Dental, Radiographic, and Pathological Departments.

**Fees for Hospital Attendances.** One Month's Ticket, £2 2s. Three Months' Ticket, £5 5s. Perpetual Ticket, £10 10s. Special reduced fees for Clinical Clerks, Dressers for one month's attendance, £1 1s. Clerks attend for about four hours daily.

**Pathological Department.** Facilities are afforded to post-graduates for obtaining theoretical and practical instruction in Clinical Pathology and Bacteriology, and in Medical Biochemistry in the Pathological and Biochemical Laboratories.

Courses of 8 to 10 Lecture Demonstrations are given at weekly intervals twice a year in both subjects (Clinical Pathology and Bacteriology and Biochemistry). These Lecture Demonstrations are of one or two hours' duration.

**Fees.**—For Course of 8 to 10 Laboratory Demonstrations in either Branch . . . . . **£5 5 0**

For combined Course of (a) Clinical Pathology and Bacteriology and (b) Medical Biochemistry . . . . . **£8 8 0**

JAMES MCKAY, Secretary.

ERIC I. LLOYD, F.R.C.S., Dean of the Medical School.

## RUTHIN CASTLE

(Formerly Duff House, Banff).

The first Private Hospital in the United Kingdom to be fully provided with a whole-time specially qualified Staff of Doctors, Analytical Chemists, Bacteriologists, Radiologists, Nurses, Dietists, Masseurs, and Masseuses, and a full equipment of Laboratories, X-rays, Electrocardiograph, Artificial Sunlight, and Medical Baths.

The Hospital is equipped for the diagnosis and treatment of any form of ill-health, excepting Infectious and Mental disease, Inebriety or Drug Addiction.

The climate is mild and the neighbourhood beautiful.

Apply: THE SECRETARY,  
Ruthin Castle, North Wales.

Telegrams—CASTLE, RUTHIN.

Telephone—66 RUTHIN.

## ROYAL WESTMINSTER OPHTHALMIC HOSPITAL MEDICAL SCHOOL.

(Founded 1816.)

Telephone: TEMPLE BAR 1457.

BROAD STREET, HOLBORN, W.C.2.

(Near British Museum Station.)

The Hospital has just been re-built and has 86 beds, including 14 private rooms for paying patients. The new building has been specially designed for clinical teaching and post-graduate study.

Classes for the D.O.M.S. Examination, Part I and Part II, commences in October, 1951.

Out-patients are seen daily at 1.30 o'clock. Operations are performed at 3 p.m.

Qualified medical practitioners and registered students may join at any time. For particulars, apply to the Dean or Secretary at the Hospital.

The Pathological and Bacteriological Department will be pleased to report on specimens sent in by Hospitals or Ophthalmic Surgeons

## DEAFNESS

Doctors prefer "ARDENTE" because . . .

### MEDICAL REPORTS.

Commended by all leading medical journals. —Mr. Dent will be happy to send full particulars and reprints on request

### "ARDENTE" STETHOSCOPE.

Mr. R. H. Dent makes a Stethoscope specially for members of the medical profession suffering from deafness. Many are in use, and excellent results are reported on the latest, as evidenced by the interest shown at the last B.M.A. Meeting.

1. It is individually fitted to suit the case for young, middle-aged or old
2. It is simple and true to tone, and leaves the hands free
3. It removes strain, thus relieving head noises
4. It conveys sounds from varying ranges and angles
5. It is entirely different uncopyable, and carries a guarantee and service system

6. It is suitable for "hard of hearing" or acutely deaf
7. It is helpful for conversation, music, wireless, home, office, public work and sports

FREE HOME TESTS ARRANGED FOR DOCTORS AND PATIENTS.

Medical prescriptions made up to the minutest detail.
