N. HICKEY, R. MULCAHY, L. DALY AND I. GRAHAM	9
Lessons from falling coronary heart disease mortality in the United States	
F. H. EPSTEIN	15
Trends in major risk factors:	
1. Cigarette smoking	
D. SIMPSON	20
2. The national diet	
C. L. WALKER.	26

Session II

Chairman: Professor Alwyn Smith

3. Hypertension and the prevention of coronary heart death in general practice	
J. TUDOR HART	34
Coronary heart disease—planning for prevention	
J. A. MUIR GRAY	39
Summing up	
Professor A. Smith	42
Abstract from: 'Prevention of Coronary Heart Disease—Report of a WHO Expert Committee'	44

Clinical reports

Bilateral retinal detachment in a case of Reiter's disease	
M. C. BELCON, W. G. BENSEN AND R. M. ZAHORUK	47
Peripartum cardiomyopathy in a patient with hyperprolactinaemia	
G. S. MATHARU AND M. H. OELBAUM	49
Immune complex mediated lung haemorrhage and nephritis—successful treatment with plasma exchange, haemodialysis and immunosuppressive drug therapy	
P. J. T. DREW, A. C. NEWLAND AND F. P. MARSH	52
Cardiac failure, hepatic congestion and increased level of serum carcinoembryonic antigen	
A. PÖNKÄ AND T. FORSLUND	56
Treatment of severe localized pulmonary interstitial emphysema by selective bronchial intubation	
J. E. OLIVER AND I. J. SMITH.	58

Contents

Spontaneous rupture of distal oesophagus (Boerhaave's syndrome) with unusual clinical presentation of pneumoperitoneum M. WITZ, R. JEDEIKIN, M. ZAGER, B. SHPITZ, A. ELYASHIV AND A. DINBAR	60
Spinal cord compression by extramedullary haematopoiesis in myelofibrosis D. C. CRAWFORD, S. NIGHTINGALE, D. BATES AND B. E. TOMLINSON	62
Polycystic ovarian syndrome in identical twins C. HUTTON AND F. CLARK	64
Benign Leydig cell tumour and germ cell carcinoma <i>in situ</i> in a young man with gynecomastia R. S. FINK, M. S. MANN, J. P. HOPEWELL AND J. GINSBURG	66
Hemipelvectomy of liposarcoma: an unusual case and course A. A. DEUTSCH, A. BACHAR AND R. REISS	70
Acute post-streptococcal glomerulonephritis following ear piercing I. H. AHMED-JUSHUF, P. L. SELBY AND A. M. BROWNJOHN	73
Retrograde ileo-ileal intussusception A. MITRA AND R. N. ROTH	75
Prolonged coma and delayed peripheral neuropathy after ingestion of phenoxyacetic acid weedkillers J. F. O'REILLY	76
<hr/>	
Books received; book reviews	78
Letter to Editor.	82
