The *European Journal of Anaesthesiology*, the official publication of the European Academy of Anaesthesiology, is a new journal which publishes original work of high scientific quality. Preference will be given to experimental work or clinical observation in man, and to laboratory work of clinical relevance. Each issue will contain a commissioned review by an authority in a field of interest to those working in anaesthesiology or intensive care. Abstracts of Academy meetings, editorials, book reviews, news and notices will also be included.

## Subscription Information

*European Journal of Anaesthesiology* is published quarterly from March 1984. Subscription rates for 1984 are \$70.00 (USA and Canada), £40.00 (elsewhere) post free.
