

Medical Education and Training in Europe: the future

Preliminary Announcement

October 1st/2nd 1992 at the Royal College of Physicians, 11 St Andrew's Place, London NW1 4LE (by kind permission of the Treasurer).

'Medical Education and Quality of Medical Care in Europe: Aims and Objectives for the Future'. A major international congress bringing together the leaders of medical education and health care in Europe. The programme is designed to examine critically the political and educational implications in medical training in Europe following harmonisation in 1992.

Sessions will include presentations and discussion on:

1. Directives for health professionals;
2. Harmonisation of hospital training programmes;
3. Monospeciality initiatives;
4. Training and quality of care initiatives;
5. Educational research and development (including primary care); and
6. Recommendations and implementation.

Speakers will be invited from all European Commission countries. The conference language will be English.

The programme will include opportunity for free discussion following the formal presentations.

If you are interested in receiving further information on the meeting and on registration, please communicate with: Dr M.W.N. Nicholls, Chairman - Organising Committee, Fellowship of Postgraduate Medicine, 6 St Andrew's Place, London NW1 4LB. Tel: (44) 071 935 5556. Fax: (44) 071 224 3219.

EUROPEAN DOCTORS IN LONDON

European Medical Research Group

Fellowship of Postgraduate Medicine

The European Medical Research Group has been formed by Young AEMIE (European Association of Internal Medicine) with the support of the Fellowship of Postgraduate Medicine, to provide a meeting place for professional and social contact among physicians in training, particularly those from continental Europe. Regular meetings are held at the Medical Society of London. An invited lecture is given, preceded by poster presentations and followed by a buffet supper.

Members of the Group are mailed regularly about the meetings.

European research fellows and other visiting doctors who would like details of these meetings should write to:

**Dr D.R.J. Singer, c/o The Fellowship of Postgraduate Medicine,
6 St Andrew's Place, London NW1 4LB. Tel: 071 935 5556**

NACT Training Package

This is an open learning study pack which aims to improve the teaching skills of clinical tutors and other tutors. Topics covered include junior doctors' educational skills and their provision, the funding and management of resources, managing change, and the operation of postgraduate centres. The development of the package was funded by the Department of Health and produced with the help of the Open University and the Joint Centre for Educational Research and Development in Medicine.

Further information about the NACT Training Package, which costs £50 including postage, can be obtained from the Secretariat, NACT, 6 St Andrew's Place, London NW1 4LB (Tel. 071 935 5556)
