

frequent applications of hot fomentations and radiant heat.

(7) *Bowels*.—Purgatives by the mouth are to be avoided, and reliance should be placed on enemata to achieve an action of the bowels.

POST-GRADUATE NEWS.

THE following Special Courses will be given during October :—

Central London Throat, Nose and Ear Hospital, Gray's Inn Road, W.C.1.

A Course in Diseases of the Ear, Nose and Throat will be given at the above hospital from October 5 to October 31. The Clinical Course will include, during the first week only, Lectures in Anatomy and Physiology, and a Course in Methods of Examination and Diagnosis. The fee for the first week only is £2 2s., and for the four weeks £5 5s., including all Lectures and attendance at Clinics and Operations. In addition, the following special classes will be given : Operative Surgery, fee £7 7s. (strictly limited); Pathology, fee £5 5s. (strictly limited); and Peroral Endoscopy, fee £6 6s. (strictly limited).

Hospital for Tropical Diseases, 25, Gordon Street, W.C.1.

An all-day Course in Tropical Diseases will be held from October 5 to October 24, including Lectures, Museum Demonstrations, and the study of Clinical Cases. Fee £8 8s.

St. John's Hospital, Leicester Square, W.C.2.

A Course in Dermatology will be given from October 12 to November 7, consisting of attendance at the clinics every afternoon at 2 p.m. and 6 p.m., and Lectures on Tuesdays and Thursdays at 5 p.m. Fee £1 1s. For those interested in Pathology, special demonstrations will be arranged at a fee of £4 4s.

Chelsea Hospital for Women, Arthur Street, S.W.3.

A Course in Gynæcology will be held from October 12 to October 24. Most mornings and afternoons are occupied with Lectures and Demonstrations in the Operating Theatre. Fee £5 5s.

National Hospital for Diseases of the Heart, Westmoreland Street, W.

A fortnight's Course in Diseases of the Heart will be held from October 12 to October 24, occupying the whole of each day. Fee £7 7s. The Course is strictly limited to twenty.

Hospital for Sick Children, Great Ormond Street, W.C.1.

A morning Course in Diseases of Children will be held from October 19 to October 31, including Lectures and Demonstrations. Fee £5 5s. As this Course will only be held if a minimum of ten post-graduates enrol, candidates are particularly requested to send in their names in plenty of time to avoid cancellation of the Course.

Prince of Wales's Hospital, Tottenham, N.15.

A "refresher" Course in Medicine and Surgery will be held from October 12 to 24, occupying the whole of each day, from 10.30 a.m. to 5.30 p.m., with special Demonstrations, Clinical Practice, and Formal Lectures. Though this Course is considered especially suitable for general practitioners, it is not restricted in any way and is open to men and women. Fee £5 5s., or £3 3s. for either week.

M.R.C.P. EVENING COURSE.

A Course of eighteen Lectures especially suitable for M.R.C.P. candidates will be given on Monday and Wednesday evenings at 8.30 (unless otherwise indicated), at the Medical Society of London, 11, Chandos

Street, Cavendish Square, W.1. The Lectures for October are as follows :—

Monday, October 5.—Dr. W. Langdon-Brown, "The Clinical Importance of Blood-Sugar—High and Low."

Wednesday, October 7.—Dr. L. J. Witts, "Achlorhydria."

Monday, October 12.—Dr. L. J. Witts, "Gastric and Duodenal Ulcer."

Wednesday, October 14.—Dr. R. D. Lawrence, "Diabetes."

Monday, October 19.—Dr. Maurice Davidson, "The Clinical Aspects of Pulmonary Fibrosis."

Wednesday, October 21.—Dr. Maurice Davidson, "Intrathoracic New Growths."

Monday, October 26, 5 p.m.—Mr. C. L. Gimblett, "Medical Ophthalmology— with special reference to Retrobulbar Neuritis, Infective Diseases of the Uveal Tract, and Intracranial Lesions."

Monday, October 26.—Dr. J. W. McNee, "Recent Work on Diseases of the Liver."

Wednesday, October 28.—Dr. J. W. McNee, "Recent Work on Diseases of the Spleen."

The fee for eighteen Lectures is £6 6s., or 10s. 6d. per lecture, payable at the lecture room. There will also be two special Eye Demonstrations as follows :—

October 28, at 4.30 p.m.—At the *Royal Westminster Ophthalmic Hospital*, Broad Street, W.C.2, by Mr. G. G. Penman, "Demonstration of Fundi of General Medical Interest" (ophthalmoscopes required). Fee 10s. 6d. *Limited to fifteen.*

November 4, 8.30 p.m.—At the *West End Hospital for Nervous Diseases*, Gloucester Gate, Regent's Park, N.W.1, by Mr. R. Lindsay Rea,

"Demonstration of the Fundus Oculi" (ophthalmoscopes required. Fee 10s. 6d. *Limited to twelve.*

As these two Demonstrations are strictly limited, early application to the Fellowship of Medicine is essential.

F.R.C.S. (FINAL) EVENING COURSES.

As both Courses, to be held in October/November, are now filled, further applications cannot be accepted.

LECTURES.

The following Lectures, arranged by the Fellowship of Medicine, will be given at 4 p.m., on Wednesdays, at the Medical Society of London, 11, Chandos Street, Cavendish Square.

October 14.—Mr. W. Sampson Handley, "Cancer."

October 21.—Mr. Kenneth Walker, O.B.E., "Prostatic Enlargement."

October 28.—Dr. R. O. Moon, "Heart Disease."

There is no fee for attendance.

DEMONSTRATIONS.

The following Demonstrations will be given during October. There is no fee for attendance.

In Medicine :—

Friday, October 16, 3.30 p.m.—Infants' Hospital, Vincent Square, S.W.1., Dr. Eric Pritchard, "The Management of Difficult Cases of Feeding."

Wednesday, October 21, 3 p.m.—Royal Waterloo Hospital, Waterloo Road, S.E.1., Dr. Kenneth Playfair, "The Value of the Electrocardiograph in Diagnosis, with a Demonstration of the Interpretation of Electrocardiograms."
